Celebrate 175 Years.

Take centre stage.

Saturday, 4 July 2015 will be a remarkable day. Exactly 175 years earlier, our first ship, **BRITANNIA**, departed from Britain with Samuel Cunard on board. **BRITANNIA** set sail across the Atlantic and it is no exaggeration to say that this crossing changed the face of ocean travel forever. So we're sure you'll agree, this is a moment worth celebrating.

The year 2015 marks a significant milestone as we celebrate our 175th Anniversary. Partake in regal festivities as our three **QUEENS** join together for the first time on the River Mersey in our spiritual home of Liverpool (see pages 39-40). Commemorate the tragic loss of life following the U-boat attack of the **LUSITANIA** off the shore of Cobh in World War I (see page 39). We invite you to join us in honouring the heritage of Cunard.

Look for this symbol throughout the voyage listings on the following pages for our 175th Anniversary cruises, featuring special celebratory events and festivities.

Presenting the QUEENS.

QUEEN MARY 2

Since her launch in January 2004, QUEEN MARY 2 has been creating a stir wherever she arrives. Her scale and elegance see to that. The sense of being in the limelight adds to the excitement of your cruise, and her size means she offers you an impressive amount of space in which to unwind.

QUEEN VICTORIA

QUEEN VICTORIA joined our fleet in 2007 and illustrates exactly what a Cunard ship should be. She's sleek and contemporary, with a traditional red and black exterior. Inside is all about warmth and luxury, privacy and comfort. At the same time, a chance to mingle and be sociable is always close by.

QUEEN ELIZABETH

Christened by Her Majesty The Queen in October 2010, QUEEN ELIZABETH is the newest Cunard ship and the third to bear the name. Modern and spacious, she has everything you'd wish on board. A holiday aboard QUEEN ELIZABETH is simply like no other.

On board your Cunard QUEEN.

Against magnificent vistas and spectacular oceans, the iconic red and black funnel of a Cunard QUEEN illustrates the timeless and distinctive tradition of Cunard Line. Let our graceful QUEENS escort you across stunning waters while offering premier White Star Service and introducing you to our cherished British heritage. Here, you are royalty.

Feel welcomed from your first step on board.

Appreciate hospitality.

How do we describe our White Star Service? It's the warmth of that first welcome when you step into the Grand Lobby, the white-gloved hand that serves you tea in the afternoon and the polite yet friendly greeting in the corridor. It's a service so discreet you barely notice it, yet is always ready to assist. It's always immaculately presented and pays meticulous attention to the details that make such a difference. It's about doing everything the right way to ensure that every moment of your time on board exceeds your expectations.

A setting of total comfort.

Perfected over nearly 175 years, a tradition of impeccable standards is maintained by our staff every day. These high standards sit perfectly with the surroundings. From the magnificent Grand Lobby to the grandeur of the Britannia Restaurant, from the largest ballroom at sea in the Queens Room to the intimacy of the Library or the sophistication of the Chart Room lounge, you can unwind and indulge, all while being active, sociable and spirited.

Make today the day you learn to tango.

Seize the day.

Experience exciting opportunities on each day of your Europe voyage. There's always something new to try, from fencing to watercolour painting to quick cricket. Your tango lesson is starting soon, followed later by an invigorating Pilates session. Perhaps brush up on your photography skills. Or, to pick up the pace, the gym is only moments away. The possibilities for fun are endless.

Every evening is an event.

The Royal Court Theatre offers the best seats in the house for witty comedies, dramatic classics and spectacular musical productions. The casino awaits when you feel lucky, and you can always go dancing until you can dance no more. Live music takes many forms, from jazz ensembles to classical recitals. A casual catch-up with friends over your favourite drink is often the perfect way to round things off for the night. Simply put, every evening aboard a Cunard QUEEN will be one to remember.

Let yourself drift away.

Space to unwind.

Relaxation is effortless aboard a Cunard QUEEN. Early on during your cruise, you'll realise just how carefree it all is. This feeling comes from the friendliness, comfort and space around you as well as from knowing that every day is your own.

Sometimes the simplest pleasures are the most relaxing. A leisurely stroll on deck, gazing at magnificent vistas and azure waters can be so calming. A sun lounger, your book and an ice-cold drink are often the ideal ingredients for a peaceful hour or two. There are so many ways to unwind and enjoy your vacation.

Be pampered.

Just moments away, the Royal Spa on QUEEN ELIZABETH or QUEEN VICTORIA lifts you to another level of relaxation. Here, you can slow the pace with that hot stone massage you keep promising yourself, feel revitalised with a full body scrub or enjoy the deep cleanse of an organic seaweed wrap. Canyon Ranch SpaClub® aboard QUEEN MARY 2 offers signature treatments, from exotic Reiki and Thai treatments to the ultimate indulgence – a Rasul Ceremony for couples.

On each ship, this quiet retreat is also a place to lounge with a book or rest in the sauna. Enjoy a relaxing manicure or have your hair styled to turn heads at tonight's ball.

Expand your mind as well as your horizons.

From the stars to the stage.

On our ships, you can often see incredible expanses of stars stretched from horizon to horizon. That's why, on certain cruises, experts from the Royal Astronomical Society (RAS) run classes on deck to help you pinpoint Orion or Aquarius in the night sky.* *QUEEN MARY 2* takes this idea indoors with *Illuminations*, where the only planetarium at sea reveals what you can see overhead at different times of year.

Our much-loved Royal Academy of Dramatic Art (RADA) programme also appears on *QUEEN MARY 2*'s bill,** where graduates from the academy pass on acting tips at interactive workshops and perform on board, sometimes in a 'street theatre' style around public rooms. The classically trained artists aboard *QUEEN VICTORIA* and *QUEEN ELIZABETH* present lively plays and musicals in the Royal Court Theatre, bringing a variety of stories to life before your eyes.

*Available on select voyages, weather permitting.

**Available on select Transatlantic Crossings.

A dynamic day.

For an active afternoon, you can tee off at over 51 golf courses on the golf simulator aboard *QUEEN MARY 2*. Enjoy English country garden ambiance on *QUEEN ELIZABETH* at the Games Deck with a game of croquet or paddle tennis, or get your heart racing on the Sports Court with a tennis match.

Try your hand at the traditional nautical games of shuffleboard and deck quoits with friends in a ship-wide tournament, or take a breezy jog around the promenade deck as the sun illuminates the sky with magnificent colour, setting into the clear ocean waters.

Spot some familiar faces in the crowd on board, including actors, filmmakers, explorers, scientists and historians, even the occasional astronaut. Likely as not, it's because they've been invited to inform and entertain you as part of *Cunard Insights*®, our regular talks on contemporary issues by well-known celebrities and personalities. Novelists reveal the inspiration and motivation behind their works and political heavyweights share their insider perspectives.

Join us on board and you might see the likes of Bill Bryson discussing his travel adventures or Martin Bell, former Member of Parliament, talking about his life as a journalist and UNICEF ambassador. Or, hear Lord Robert Winston sharing the story of his medical career. They're all recent Cunard guest speakers.

Tradition on a silver platter.

Distinctly Cunard.

We welcome you to experience the British heritage of Cunard. It's the appreciation of tradition, as white-gloved waiters serve warm and decadent scones with cream, delicate finger sandwiches and English tea each afternoon, accompanied by live music.

It manifests in a classic Shakespearean production with iconic Cunard grandeur. It's a true occasion as you prepare for a Royal Night-themed ball in the Queens Room, decorated with glitz and glamour so you can waltz the night away.

The height of British hospitality.

Our QUEENS provide only the finest accommodations and amenities. Spacious staterooms offer the ultimate space to unwind while stylish suites overlook the breathtaking ocean and stunning landscapes of your next destination. Relax in the rich décor of your suite or stateroom with pristine views of azure waters and enjoy the delicious cuisine and refined atmosphere of the distinctive restaurants on board. All the while, revel in the contemporary amenities and exemplary White Star Service that are standard with Cunard.

The Britannia experience.

Your stateroom offers 152-243 square feet of living space in which to relax after a fulfilling day of exploration. It has all the essentials and more, from sumptuous beds specially designed for Cunard to luxurious Penhaligon's toiletries with which to pamper yourself. Frequent enquiries

A Cunard cruise promises wonderful times and a lifetime of memories. To ensure the most superb vacation possible, you'll want to be sure you're well prepared before you depart. Here are answers to some of the questions you may have about a Cunard cruise. For more details on any of these questions, please visit Cunard.com, contact your Travel Agent or call Cunard at (800) 728-6273.

What's included in my fare?

All fares include accommodations as booked, on board meals* and entertainment. Fares are per person based on double occupancy and are cruise only, excluding air and transfers. Fares do not include Taxes, Fees, Port Expenses, and Fuel Supplements, CunardCare travel protection or incidental charges such as laundry, bar expenses, spa and salon treatments, shore excursions, etc.

Is there an advantage to reserving early?

Yes. When you reserve early, you have access to a greater selection of accommodations, ensuring you get just the stateroom or suite you prefer on your cruise.

How does tipping work?

During your cruise, you will meet staff throughout the ship who provide you with excellent service. Many more crew support those who serve you directly. A discretionary Hotel and Dining charge will be added to your shipboard account on a daily basis for each passenger (including children). This charge will be shared amongst all those who help provide and support your experience, including the waitstaff, stateroom stewards, buffet stewards and others. Please note, this is a discretionary charge and, should you wish to remove it or make any adjustments, you may contact the Purser's Desk before the end of the cruise.

Grill accommodations: \$13.50 USD per person per day†
Britannia Accommodations: \$11.50 USD per person per day†

Note: Casino dealers and Spa personnel do not share in the Hotel and Dining charge as not all passengers utilise these services.

What about gratuities in the bars?

A 15% gratuity is added to your bar charges and dining room wine account. This is shared amongst the beverage staff and their support staff.

What if I'm travelling by myself?

Cunard welcomes single travellers on every cruise. There are countless ways to meet interesting people during your cruise — by attending the "Welcome Cocktail Party," by choosing to sit at a larger table for dinner and through activities like lectures and Bridge classes. For ladies travelling alone, Gentleman Dance Hosts make great dance partners.

For those who wish to travel as the sole occupant of a double occupancy stateroom, the following single supplements typically apply:

For Grill categories (Q1–Q7 and P1–P2), singles pay 200% of double-occupancy fares. For all other categories (A1–IF), singles pay 175% of double-occupancy fares.

*Excludes certain specialty areas of Kings Court and Lido in the evening, The Verandah and Todd English where surcharges apply.

†Charges may vary or change without notice.

Please be aware that supplements may vary and are subject to change without prior notification.

What about third or fourth passengers?

Fares for third and fourth passengers in a stateroom vary by ship, sailing and stateroom category. All third and fourth passengers pay the same fare, including children (except children under two years of age travelling as a third or fourth passenger who are not required to pay cruise fare). Not all staterooms and suites are equipped for additional passengers; please consult the deck plans for more information.

Are children welcome on Cunard?

Children at least six months of age are welcome on Europe cruises, except Icelandic sailings where the minimum age is one year. For North America, Canada and Caribbean cruises, the minimum age is six months. We offer a full children's programme, from nursery to teens, so families can share this special journey together.

We provide supervised activities for children aged two to 17 years throughout the day as well as free group supervision in the evening.

A child travelling as the second passenger in a stateroom requires payment of the published per-person fare. In order to provide adequate activities and facilities for our younger passengers, the number of children on a specific cruise may be limited; please contact Cunard for details. Passengers under the age of 18 are not permitted to gamble or enter the casino. Passengers who are under 18 years of age are not permitted to purchase or consume alcohol on board. However, while in U.S. waters, Cunard® Line enforces and abides by the U.S. legal drinking age of 21 years.

Are service animals/guide dogs welcome?

Cunard is pleased to permit individuals to bring service animals on board. You must provide notice of this at time of booking. Local laws or customs may prevent animals from disembarking at particular ports or countries. It is the passenger's responsibility to consult local customs authorities for requirements and to obtain all applicable documents and health certificates. Service animals are kept in staterooms with their owners. Non-service animals are only carried on QUEEN MARY 2 Transatlantic Crossings, in kennels, and are not allowed to visit any passenger area of the ship.

Can passengers with disabilities travel?

All passengers requiring specific assistance, facilities or equipment on board, or wishing to bring such equipment on board, must advise Cunard Line at the time of booking and are requested to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

(Continued next page)

Frequent enquiries, *continued*

If you need to bring a wheelchair or mobility scooter on board with you, it is essential that you let us know at the time of booking or as soon as the need is known. Any passengers requiring the use of a wheelchair, mobility scooter or other aids to mobility must provide their own. For the safety of everyone on board and the ship, all wheelchairs, scooters and other aids to mobility, as is the case with all other passenger possessions, must be stored inside your stateroom when not in use. Failure to comply with this important safety rule may mean you will be disembarked and refused future travel. A part-time wheelchair user travelling in a non-wheelchair accessible stateroom must bring a collapsible wheelchair to ensure it can safely fit through the stateroom door and be accommodated in the stateroom. It is not possible to make structural changes to the stateroom layout. Cunard Line reserves the right to require passengers who have booked this accommodation without legitimate reason to move, at their own expense, if necessary.

Mobility scooters will only be permitted on board if passengers have booked into a wheelchair accessible stateroom, or a suite, as these are the only types of accommodation where mobility scooters can safely be stored. The minimum door width of suites is 53 cm (21 in). The minimum door width of the wheelchair accessible staterooms is 80 cm (31 in). At the time of booking, please let us know if you intend on bringing a mobility scooter with you, and we will in turn provide you with a questionnaire for completion to ensure that the accommodation you have booked is appropriate.

Please note that our wheelchair accessible staterooms are strictly reserved for passengers who are bringing wheelchairs or mobility scooters or who have a requirement for the adapted facilities offered by these staterooms.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew is helpful, they are only able to provide limited assistance to help you in moving around the ship. For this reason, and in order to ensure the safety of the passenger, the ship and all others on board, we recommend that passengers with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair or communication support, be accompanied by a personal assistant/travelling companion to provide these services. Blind/Visually Impaired passengers are recommended to travel with a companion who can help you get your bearings and assist you both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance.

Please note that, due to applicable safety requirements, the design of the ship or port infrastructure and equipment, in certain ports of call it may not be possible for us to offer a shore excursion programme, or shuttle bus service, suitable for passengers who are not able to board a coach via the steps with only the aid of their travelling companion.

Cunard Line reserves the right to refuse passage to any passenger who has failed to notify Cunard Line of their requirement for special treatment or assistance (including the requirement to use a wheelchair or mobility scooter). For further information about travelling with disabilities, please contact our specialist Care Access Team at (800) 728-6273 (Monday-Friday 8am-5pm PT) or contact us by email at accessoffice@cunard.com.

Before you sail

How can my loved ones reach me on board?

Friends and family can reach you by email, which you will be able to check in the ship's Internet Centre or via your laptop with wi-fi access in the staterooms and public areas (service charge applies). In addition, mobile phones may be used on board — check with your service provider before you leave to confirm you have international roaming service enabled. To connect with **QUEEN ELIZABETH**, **QUEEN VICTORIA** or **QUEEN MARY 2**, please call (001) 732-335-3272 for calls originating outside the U.S.; for calls from the U.S., please dial (877) 266-0985. These numbers connect to the Maritime Telecommunications Network automated voice response where you will be prompted to enter your credit card number and expiration date. Your call will be charged a rate of \$9.50 USD/minute upon connecting to the ship. Calls on the network are limited to a maximum of 10 minutes per call.

What do I wear on board during the day?

You'll need to pack a range of cooler to warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself most comfortable in stylish casual wear, including shorts and smart jeans. Swimwear, micro shorts, sarongs and gym wear should be reserved for the poolside, on deck or in the spa and fitness centre. We request that swimwear be covered up before entering any enclosed areas.

What about shore attire?

Be comfortable but please remember to respect the cultural dress norms of your hosts when visiting houses of worship. A lightweight raincoat and umbrella never go amiss! Finally, a pair of comfortable walking shoes (plus a spare pair of glasses) will always stand you in good stead.

Do I have to dress for dinner every evening?

Evening attire is effective from 6pm. Dressing up elegantly for dinner is one of the great thrills of a Cunard vacation, yet we also want our passengers to feel relaxed. So each evening our dress code will either be formal or informal, details for which can be found on your Voyage Personaliser at vp.cunard.com. The evening dress code will also be specified in your ship's Daily Programme, which is delivered to your stateroom each day.

On formal nights, passengers wishing to dress more casually are welcome to dine in the Kings Court or Lido main buffet restaurant and relax in the Winter Garden or Garden Lounge bar. Please be respectful of fellow passengers by avoiding the more formal areas of the ship, including our Alternate Dining restaurants.

Please note that after 6pm, shorts, blue or worn denim (for men and women), sandals and sleeveless tops (for men) are not considered appropriate within any of the ship's public areas.

FORMAL: Dinner jacket, tuxedo or dark suit with tie for gentlemen. A range of gentlemen's formal wear is available to hire on board. Evening or cocktail dress for ladies.

INFORMAL: Jacket required, tie optional for gentlemen. Cocktail dress or stylish separates for ladies. No jeans or shorts.

Can I arrange to have someone handle my luggage to and from the ship?

We offer White Star Luggage Service™, which is provided by a reputable carrier and is available exclusively to our passengers. Continental U.S. reservations must be secured at least 35 days prior to sailing date.

Service can be requested within 35 days of sailing at an additional cost and is based on destination and availability. Please note you can purchase luggage transfer service home while on the ship. Additional terms and conditions apply. Call (888) 491-0774 for more information.

Whilst on board

How many formal nights are there?

Formal nights are one of the most distinctive parts of the Cunard experience and are a great opportunity to socialise with like-minded travellers. The number of formal nights varies by cruise and will be detailed in your pre-cruise documents. Cruises typically have two to five formal nights depending on length and number of sea days. Of course, single travellers are welcome at all events, and Gentleman Dance Hosts are on board to waltz and salsa with single ladies.

Is there Internet connection on board?

Yes, you may access the Internet in each ship's Internet Centre. Passengers with laptops may access the web via our wireless network, available in every stateroom as well as many public rooms. Charges apply for these services.

Will I need money on board?

For your convenience, we operate a "cash-free" system where you simply sign for all purchases using your personal identification key card, which is provided at check-in. This card is also your pass on and off the ship. It should be signed immediately and kept securely about your person at all times. You may choose to settle your account by credit card, registered at check in, or with cash. If settling with cash you will, however, need to keep your account in credit at all times. Please note we do not accept Personal Checks, Travellers Checks or Pre-Paid Credit Cards on board.

Will I be able to clean my clothes on board?

Yes. Full laundry and dry cleaning services are available on board and will be billed to your stateroom. Complimentary self-service washers, dryers and ironing facilities are also available.

Are there medical facilities on board?

Yes, but these basic medical facilities are equipped primarily to deal with illness and accidents and are not intended to provide ongoing treatment of pre-existing conditions. If you anticipate a need for medical services aboard the ship, your special requirement must be advised to us in writing before your booking can be finalised. Because medical facilities are limited and shoreside medical care is not always readily available, we will not be able to carry passengers who will be 24 weeks or more pregnant by the end of the intended cruise.

What is the smoking policy on board Cunard ships?

The safety, comfort and enjoyment of all our passengers has always been a key concern at Cunard. With this in mind, and as a direct result of the feedback we have received from our passengers, we have amended our policy with regard to smoking on board Cunard ships.

Smoking is no longer permitted in any public area with the exception of Churchill's Cigar Lounge, designated areas on the open decks and the upper level of G32 on **QUEEN MARY 2**. Pipe and cigar smoking is only permitted in Churchill's Cigar Lounge and on the permitted open deck spaces.

Smoking is not permitted in staterooms or on stateroom balconies.

Electronic cigarettes may be used in staterooms and on stateroom balconies, however, they are not permitted in non-smoking public areas. Electronic cigarettes that do emit a vapour should be used in designated smoking areas only.

Going on shore

Mobility ashore.

When choosing your cruise, please bear in mind that it may not be possible for wheelchair users to get ashore at all ports of call. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow. This is normally due to ports with a large tidal range, where a relatively shallow ramp may unavoidably become too steep to use safely during the course of the day with tidal movements. Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, Brest, La Coruña, Le Havre, La Rochelle, Lisbon, Vigo, Zeebrugge, Canary Island ports, Hamburg, Boston, Halifax, Portland, Québec, Darwin, Lisbon, Mumbai and San Francisco. At ports where it is not possible to use the ship's brow, all access to shore will be by a narrow stepped gangway, known as the accommodation ladder, that pivots to take account of the tide. When the accommodation ladder is in use, you will need some independent mobility in order to walk down the gangway. Each of our ships carries a wheelchair "stair climbing" machine which, where appropriate, may be used to allow wheelchair users to go ashore provided they transfer between their own wheelchair and the wheelchair that is fitted to the stair climber at the top and bottom of the accommodation ladder. The stair climber cannot be used with electric wheelchairs—these will need to be taken ashore separately.

How do I plan my shore excursions?

A brochure explaining all the shore excursions that will be offered on your cruise will be included with your preliminary cruise documents. Many shore excursions have limited space, so reservation requests will be processed in the order received. Therefore, we encourage you to reserve tours as early as possible, using the Voyage Personaliser at vp.cunard.com/voyagepersonaliser, contacting your Travel Agent or calling Cunard at (800) 728-6273. Shore excursions need to be paid in full at the time of reserving them. When excursions are fully booked, additional requests will be placed on the waiting list in the order received. Your tickets will be delivered to your stateroom on embarkation day. Consult your Daily Programme for information about getting ashore and time spent in port. You may also view "Port Talks," our on board televised briefings with general information and shore excursions highlights for each port. Our on board tour staff can assist you in creating private tours or, if you have a large group (40+ or more), offering existing shore excursions, tailor-made excursions and/or foreign language guides. Shore excursions are operated by local, independent companies, not by Cunard.

How do I get foreign currency to spend when going ashore?

You will be able to obtain suitable foreign currency for most ports of call on board. This can be purchased using cash. You are also able to purchase foreign currency using your on board account. You can re-exchange your unused foreign currency, but only in the denominations sold on board (subject to on board exchange rates). We are unable to accept foreign coins. All foreign currency transactions are exchanged using the U.S. Dollar. Unfortunately we cannot accept or exchange £500 notes.

General information.

RESPONSIBILITY

Transportation of passengers and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and is also available upon request. The Passage Contract represents the entire agreement between Cunard and the passenger. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the passenger.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to passengers. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to passengers the amount it has received.

The passenger is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call if, for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when, in Cunard's sole judgment, it would be considered a risk to the passenger's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other passenger or crewmember.

DEPOSITS

A 25% deposit is required within three days of reservation or sooner, as specified by Cunard. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

BALANCE OF PAYMENT

Full payment for all cruises shorter than 30 days must be received by Cunard no later than 90 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date and are guaranteed only when paid in full at 90 days prior to sailing. Final payment is due at 120 days prior to sailing on all voyages 30 days or longer. Reservations made between 90 and 31 days prior to sailing require full payment within 24 hours of booking for voyages less than 30 days. Reservations made between 120 and 30 days prior to sailing require full payment within 24 hours of booking for voyages 30 days or longer. Reservations made within 30 days of sailing require full payment at time of booking.

METHODS OF PAYMENT

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for on board services/products by the passenger or by Cunard on behalf of passengers, shall be paid by passenger prior to disembarkation.

GENERAL CANCELLATION/REFUND POLICIES

Cancellation charges for all voyages of fewer than 30 days:

Number of Days Before Travel	Cancellation Fee
91 days or more	None
90 to 61	Deposit Amount
60 to 31	50% of full fare
30 to 15	75% of full fare
14 days or fewer or non-appearance	100% of full fare

Note: Policies may vary for voyages of 30 days or more.

The above cancellation charges apply to all travel including cruise, land arrangements and optional hotel/land extensions. If non-cruise components only are cancelled, the passenger will be responsible for any cancellation charges imposed by other transportation carriers, tour and ground operators or hotel properties.

REFUNDS

All refund requests pertaining to cruise, land and air are subject to final review by Cunard. Partial use of cruise, airfare, hotel and land extension does not qualify a passenger for a refund.

ON BOARD CREDIT

If you are due to receive On Board Credit this will be applied to your account on the first night of your cruise. On Board Credit cannot be used for any of the following: Cash Back, Casino/Gambling charges, Foreign Exchange, Any Medical Services/Prescriptions, Charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CUNARD CARE

We recommend that all passengers purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver, the CunardCare Travel Insurance and the CunardCare Worldwide Emergency Assistance Programs designed for our most valued passengers.

BAGGAGE AND VALUABLES

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the passengers themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all passengers and all baggage must pass a security checkpoint.

CHILDREN TRAVELLING WITH AN ADULT

Children under 18 years of age must be accompanied by an adult and must be at least six months of age to sail. See page 47 for restrictions.

EMBARKATION/DISEMBARKATION

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, passengers should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, passengers making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for one to three passengers or luxury club vans for four to eight passengers.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Agent or call Cunard at (800) 728-6273 for more information.

PASSENGERS WITH DISABILITIES/ SPECIAL DIETS

Passengers with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the passenger be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a passenger with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels.

Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a passenger will be travelling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the passenger's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

Passengers with conditions requiring ongoing medical assistance may be asked to have their physician provide a confidential certification form to ensure that they may travel safely. If passengers have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

TAXES, FEES, PORT EXPENSES & FUEL SUPPLEMENT

Taxes, Fees and Port Expenses may include any and all fees, charges, tolls and taxes imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to U.S. customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, air taxes, hotel or VAT taxes incurred as part of a land tour, inspection fees, immigration and naturalisation fees, and Internal Revenue Service fees, whether assessed on a per passenger, per berth, per ton or per vessel basis. In the case of per ton or per vessel assessments, those assessments will be spread over the passengers on board. Taxes, Fees and Port Expenses are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing, even if the fare has already been paid in full. As of the printing of this brochure, there is no Fuel Supplement in effect.

CUNARD COMPLETE AIR® PROGRAMME, BOOKING PROCEDURES, IDENTIFICATION AND REFUNDS

Passengers purchasing flights under the Cunard® CompleteAir Programme may select either Flexible or Restricted fares that offer differing levels of flexibility. Passengers booked on Restricted fares are required to pay for their flights in full at the time of booking. Passengers booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by Cunard Line reservations system. Passenger agrees to contact airline(s) directly to reconfirm flights, to specify any special travel needs and to obtain seat assignments. Passenger is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport).

Passengers purchasing flights under the Cunard® CompleteAir Programme may choose their flight and cabin at the time of booking. Passengers will be able to choose from a selection of flights under either the Flexible or Restricted programme.

CUNARD COMPLETE AIR NEXT PORT PROTECTION

Passengers who book air travel through Cunard Cruises will be automatically enrolled in the Cunard Next Port Protection programme. If passengers miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the passenger. Please note, this applies to all cruises except Transatlantic Crossings.

SERVICES PROVIDED BY INDEPENDENT CONTRACTORS

All shoreside tours and services described in this brochure, including air, transfers and shore excursions, are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to passengers for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and on board physicians since they are neither agents for nor employees of Cunard.

INTERNATIONAL TRAVEL DOCUMENTS & HEALTH INFORMATION

It is the passenger's obligation to obtain and carry with him/her a valid passport, visas, parental authorisations if required as well as public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Consult your travel agent for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Depending on the area of the world visited, vaccination/immunisation requirements vary considerably and are subject to change at any time. We suggest that passengers travelling outside of their country of residence consider being immunised against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed and is accepted by health officials at all ports of call. We strongly recommend that all passengers contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunisation recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunisations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.
