

CUNARD

WORLD & EXOTIC CRUISES 2015

THE MOST FAMOUS OCEAN LINERS IN THE WORLD

The Leader in World Voyages

In 2015, you can join one or more of Cunard's three **QUEENS** to celebrate our 175th Anniversary. Samuel Cunard founded the line that was to become Cunard in 1840, adding even more of a sense of occasion and history to these three World Voyages. To commemorate this special anniversary, in 2015, **QUEEN MARY 2** and **QUEEN ELIZABETH** will rendezvous in Southampton on 10 January, **QUEEN VICTORIA** and **QUEEN MARY 2** will meet in Sydney on 12 March, and all three **QUEENS** will join together back in Southampton on 3 May to end their World Voyages.

In 1922, Cunard set sail on the world's first continuous passenger circumnavigation. Then, as now, the World Voyage represented one of life's great travel adventures; something that hasn't changed since its beginning. The magic of visiting the world's most iconic destinations on board some of the world's most luxurious ships simply cannot be matched by any other form of travel.

Cunard has more experience with World Voyages than any other company. We invented the concept in 1922 and, since then, we have completed more circumnavigations and taken more passengers on this incredible journey than any other cruise line. We know the World Voyage better than anyone else.

QUEEN ELIZABETH®, QUEEN MARY 2® and QUEEN VICTORIA® will each spend the first four months of the year exploring the world on three different journeys, among them visiting a total of 82 destinations on six continents and travelling 110,000 nautical miles. While much has changed since that first Cunard circumnavigation, some things have not; destinations most can only dream of, exceptional service and unrivalled knowledge of the world are still the hallmarks of a Cunard World Voyage.

Excellence and service are part of our tradition

You may wonder why our three ships are so special. Like all sisters, they have their own unique personalities and possess strong family traits. On board, our White Star Service and sense of occasion have long attracted famous faces, from Hollywood stars to those who have shaped history.

We're proud of our traditions. They are 175 years in the making and have been carefully honed. Our history is one of grand arrivals, high glamour and a sense of occasion. This will continue when all three of our elegant ships sail on their 2015 World Voyages and the spotlight falls upon them in exotic ports around the globe. Their very arrival and departure create excitement. It's something you'll especially appreciate once on board. Standing on deck and waving farewell, you can hear chatter filled with anticipation. That's how all Cunard vacations start on every ship.

Alongside such landmark occasions, it's our meticulous attention to detail that really ensures your holiday is faultless, like the arrival of Afternoon Tea, presented beautifully in the Queens Room — always a moment of pleasurable delight — or the care taken to ensure that each meal reaches the same award-winning standards as the last. Of all the elements that make every cruise a true Cunard voyage, our White Star Service remains one of our signatures. Your requests are happily fulfilled and the smiles are warm and friendly, right from the moment you arrive on your ship.

You'll step aboard knowing that state-of-the-art entertainment, from spectacular shows to 3D film screenings to a planetarium, is nearby. There will be daily surprises, too.

Your favourite writer may be on board, or a much-loved play on the theatre bill. Each cruise also promises those memorable times — too many to mention — with new friends, whether joining in classes or mingling over cocktails and music on deck during a Sailaway Party. Our gala balls are reason for excitement as well. Colourful, glamorous and often themed to reflect where you are in the world, it's easy to dance an hour later into the night than you intended.

Many little moments go almost unnoticed, like the sleek, discreet service from the white-gloved crew or a nightly turndown. These are just some of our traditions, and they are all about making you feel special.

Innovative dishes, impeccably prepared

Fine dining needs equally impressive wines. It's why our sommeliers have carefully selected every bottle of white, red and rosé in our cellar. They'll also be on hand to help match what's in your glass to the delicious creation on your plate.

The outstanding cuisine on our ships will play a memorable role in your cruise experience. It's incredibly easy to enjoy the high standards at your table. The variety of the menus, even the number of alternative restaurants, means every meal is exactly to your liking. From hearty breakfasts and healthy lunches to Asian fusion or gastro pub favourites, our chefs take immense pride in surpassing themselves day after day. From your arrival on board to the moment you say goodbye, our ships deliver fresh culinary experiences throughout your voyage.

Your table will be waiting in one of our main restaurants, determined by the stateroom you've chosen. It's a Cunard tradition, one which ensures you'll never wait to be seated. Fresh lobster, herb-crusted turbot or melt-in-the-mouth Chateaubriand might catch your eye on the menu. To follow, a velvety chocolate fondant will more than satisfy your sweet tooth. Of course, your sommelier makes sure every choice has a superb wine to match.

You'll notice how the dishes are packed with local produce and flavour, from Caribbean plantain and papaya to the freshest Mediterranean herbs. Naturally,

vegetarian dishes offer the same artistry and imagination. So do the special healthy choices that appear on the menu. Delicious doesn't have to mean decadent.

Should you fancy a change, it's simple. Just grab a quick bite in the afternoon or enjoy a casual pub lunch, for instance. You could 'dine out' at the alternative fine dining restaurant on board — our Verandah[†] restaurant or Todd English[†], depending on your choice of ship. There are a number of other alternative dining options too, serving a variety of cuisines each evening. After all, the perfect dish is the one you're in the mood for now.

[†] Surcharge applies. Reservations required.

Daytime activities, from the energetic to the relaxed

On our ships, no two days are ever quite the same, due to the huge number of activities on offer. This allows you to decide how any given hour will unfold — enriching, adventurous or seriously pampered. Of course, doing nothing at all is also an option.

Aerobics, yoga or sunrise stretch classes on deck are just some ways to enjoy the morning air. Later, tango and line dancing classes are energetic and fun. For a more intellectual pursuit, sharpen the mind with the daily crossword. You may drop by the wine-tasting seminar in the afternoon or watch as the secrets of auctioneering or weather forecasting are revealed during the day's *Cunard Insights* workshops.

Some activities you'll only find on certain ships, like *QUEEN ELIZABETH*'s unique art tour or her panel quiz shows, specially written during your voyages, as well as her Nordic Walking poles offered for a sociable occasion for exercise. Fencing lessons provide a chance to try something new on *QUEEN VICTORIA*.

QUEEN MARY 2 offers 3D film screenings that include the latest blockbusters and operatic masterpieces.

If your day is about taking it easy, the blissful spa can indulge you with its menu of massages and uplifting treatments. You'll never be short of holiday reading either. The impressive library sees to that, and the Book Club is meeting later for an informal chat over a cappuccino. In warm weather, the spacious open deck is always inviting — maybe for a dip in the outdoor pool before tea. The shuffleboard tournament is also starting soon. The best part is that, having done so much (or so wonderfully little) throughout the day, a glittering evening still lies ahead.

Discovery begins on board

Meeting experts and celebrities can be a memorable part of your Cunard cruise. In fact, when it comes to broadening horizons, you'll be spoilt for choice. It's why days between your discoveries on land can be rewarding — and exciting — too.

More than the time you spend in different cities experiencing other cultures, Cunard cruises can always widen your expertise through our exciting *Cunard Insights* programme. As the name suggests, it's an educated glimpse, a look behind the scenes. You may listen, enthralled, to academics and ambassadors. Politicians and film producers will talk about their careers and answer questions. All the speakers add another dimension to your cruise.

On recent World Voyages, Martin Bell OBE talked about his work as a UNICEF ambassador and former independent MP. Others helped shape history. Former head of the British Army, General Sir Richard Dannatt, joined us in 2013. The Most Reverend Archbishop Emeritus Desmond Tutu sailed during *QUEEN MARY 2*'s 2010 World Voyage, with the Nobel Peace Prize winner packing out the Royal Court Theatre during a memorable question and answer session. Though too far ahead to name names yet, we hope you'll find the class of 2015 just as inspiring.

Science Voyager provokes thought and discussion on all sorts of topics from evolution to the environment. For more otherworldly subjects, our Royal Astronomical Society (RAS) partnership puts distant stars and galaxies into focus. Using telescopes and binoculars, a RAS expert can point you in the right direction to gaze up at the Milky Way from the deck. *QUEEN MARY 2* takes this idea further. *Illuminations* is more than her superb concert venue and 3D cinema. Here, you'll also find the only planetarium at sea, where specially created shows explain what you can see in the night sky overhead at different times of year.

Evening entertainment designed for every mood

Evenings are when the famous Cunard glamour really shines. After a busy afternoon exploring ashore, you're invited to a Sailaway Party. Or, when your day on board draws to a close, there's plenty of time for a pre-dinner drink. Maybe the martini menu will tempt your taste buds in your favourite bar.

Later, recitals on the harp or the piano create a soothing mood — part of an extensive calendar of classical concerts. Or mellow jazz might be more your scene. Some nights, the comedian brings laughter to the bill; on others, the magician will amaze you.

Over in the traditional Golden Lion pub, the spotlight might switch to you as you interpret a track or two during a lively karaoke event. Afterwards, how about some late-night trivia or a spin of the roulette wheel in the casino?

You may, of course, be in the mood for dancing. Tonight the atmospheric nightclub could be playing anything from rock anthems to the hits of the 1970s right through to today's modern sounds. Our black tie evenings remain a highlight of every voyage, with themes ranging from Starlight Balls to 'London Swings,' a celebration of 1960s-style sets within the double height Queens Room.

The Royal Court Theatre is always the backdrop to pure drama. In these lavish venues, thrilling musical extravaganzas and abridged versions of classic plays light up the stage. Private theatre boxes on *QUEEN VICTORIA* and *QUEEN ELIZABETH* offer the opportunity for you to reserve the best seats in the house. You can even sip your interval drink in the reserved lounge.

QUEEN ELIZABETH World Voyage

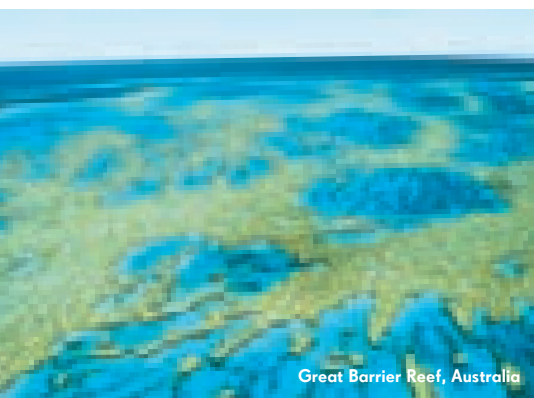

January to May 2015

Willemstad, Curacao

Papua New Guinea

Great Barrier Reef, Australia

MEMORABLE EXPERIENCES EXTEND AROUND THE GLOBE

Circling the world is an experience that has captured the imagination across the centuries. As you follow the earth's gentle curve, you'll cross the equator twice, span three oceans and both tropics. You'll also undertake dramatic passages along two of man's most impressive engineering projects — the Panama and Suez Canals. Undoubtedly, some of these will rate among your finest memories.

DISCOVERIES AROUND THE AMERICAS

Beyond New York and Fort Lauderdale, discover the forts that guard the Bahamian capital of Nassau, then admire the gabled houses painted in cheerful pastels in Curaçao's main city, Willemstad. Soon, it's time for the famous short cut from Atlantic to Pacific through the locks and lakes of the Panama Canal. Then a jaunt into vibrant Costa Rica may showcase coffee plantations, mangrove swamps and a cloud forest. Cabo San Lucas may mean a spot of sea kayaking, while Los Angeles invites you to wander the Hollywood Walk of Fame. Each traveller "leaves his heart in San Francisco," and you'll understand why in the vibrant alleys of Chinatown or the isolation of Alcatraz Island. You may bask on sugary Hawaiian and Samoan sands beside lagoons swirled in cobalt and turquoise, before delighting in Apia's Plum Pudding Rock and Falefa Falls.

ON THE FAR SIDE OF THE GLOBE

Your first Australasian landfall is Auckland in northern New Zealand, where Maori customs and culture await. Then it's on to the spectacular Bay of Islands. Naturally, Sydney is firmly on QUEEN ELIZABETH's World Cruise agenda with an overnight call. Staying in Australia, Brisbane is gateway to the Gold Coast and Yorkeys Knob reveals Cairns and the Great Barrier Reef. Papua New Guinea resides as a land of steaming volcanoes and bubbling mud pools.

REACH THE LAND OF THE RISING SUN

Yokohama is your gateway to Tokyo. In Japan's capital, a staggering modern energy is interspersed with the country's traditional face. Perhaps this is best represented by the Imperial Palace, set in parkland and surrounded by moats. Nagasaki, your second call in Japan, is followed by Busan. With its intriguing ancient heart, Busan is South Korea's second largest city.

Tokyo, Japan

Ho Chi Minh City, Vietnam

Taj Mahal, India

QUEEN ELIZABETH MEMORIES FORMED AROUND THE WORLD

Rounding the globe in 112 nights creates so many standout moments. Like sailing through the Panama Canal or under the Golden Gate Bridge. Seeing the Great Barrier Reef and Papua New Guinea's smouldering volcanoes. A dim sum feast in Hong Kong, and Bangkok's floating markets. Standing before Kuala Lumpur's Blue Mosque and the palaces of the sultans in Istanbul. It's quite the sightseeing list.

QUEEN MARY 2 World Voyage

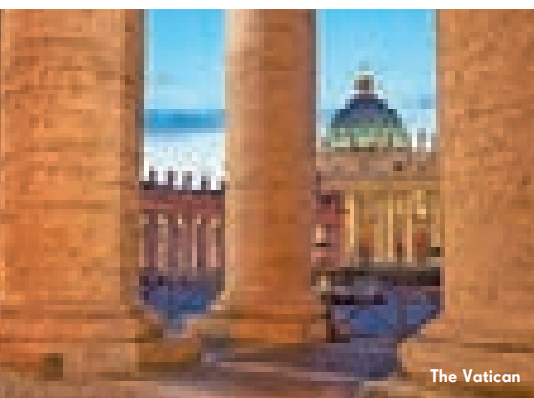

January to May 2015

Cairo, Egypt

Hong Kong

The Vatican

UNFORGETTABLE SIGHTS STRETCH ACROSS FOUR CONTINENTS

The World Voyage aboard QUEEN MARY 2 embraces the legacies of ancient civilisations and touches shore at dynamic modern cities. It reveals the beliefs and traditions of an array of cultures and showcases natural wonders, from lush jungle and stark desert to the Great Barrier Reef.

ACROSS THE MEDITERRANEAN AND RED SEAS

Your adventure begins with the flamboyance of the Iberian Peninsula and the treasure chest that is Rome, from the Colosseum to the Trevi Fountain, from St. Peter's Square to the beautiful Pantheon. The eternal riddle of the Sphinx and those pyramids at Giza, or the medieval sprawl of old Cairo, are then yours to contemplate from Sokhna. Safaga reveals staggering Karnak, the vast temple complex famed for its avenues of ram-headed sphinxes. By contrast, Dubai's extravagance is mostly ultra-modern, though you could take advantage of your overnight stay to sleep beneath the desert stars in a traditional camp. In neighbouring Abu Dhabi, your to-do list may include browsing through souks piled high with silver and frankincense or enjoying UNESCO World Heritage sites.

TO THE EAST

Sri Lanka's countryside is swathed in a dazzling spectrum of greens, and Phuket is home to 29 Buddhist monasteries, of which Wat Chalong is probably the most

ornate and impressive. Kuala Lumpur's favourite sights include the red-brick and marble Masjid Jamek Mosque and the soaring Petronas Towers, glinting in steel. Singapore is a melting pot, home to a bustling Chinatown and peaceful Botanical Gardens.

FROM BEACH RESORTS TO RAINFOREST

Phu My puts you within touching distance of Ho Chi Minh City, where you may be drawn to Ben Thanh Market or the exhibits within Reunification Hall, formerly a presidential palace and now a museum. Over in Sanya, it's celebration time as your visit coincides with Chinese New Year. During two days in ever-beguiling Hong Kong, you may head to Aberdeen Fishing Village, where "water people" live on junks and sampans, or join in the retail frenzy of tailor shops, bird markets and electronic outlets. Bandar Seri Begawan is the capital of Brunei, whose gilded mosques, stilt villages, pristine rainforests and mangrove swamps ensure a fascinating visit.

Phuket, Thailand

Sydney, Australia

QUEEN MARY 2 FOUR CONTINENTS DAZZLE WITH VIVID COLOUR

This grand discovery is filled with sights and sensations, from Barcelona's Sagrada Familia to enigmatic Egyptian temples. The bustle of tuk tuks in Ho Chi Minh City. The dawn of Chinese New Year in China. Brunei's lavish palaces and stilt villages. The silent beauty of New Zealand's fjords. Far-reaching views over Cape Town from Table Mountain. Our flagship **QUEEN MARY 2** shows you all this and more.

Add a **QUEEN MARY 2** Transatlantic Crossing to begin your World Voyage.†^

QUEEN VICTORIA World Voyage

January to May 2015

Cabo San Lucas, Mexico

Hawaii

Guatemala

AN INCREDIBLE ADVENTURE DUSTED WITH INTRIGUING ISLANDS

Joining **QUEEN VICTORIA's** World Voyage in Southampton, you'll cross two mighty oceans — twice. First the Atlantic guides you to the Americas before your route across the Pacific leads to Australia and New Zealand. Intertwined with forays to great cities, numerous islands await along the way. There are no fewer than six Caribbean calls and three Hawaiian gems, not to mention names rich in South Seas mystique: Samoa, Fiji, the Cook Islands and French Polynesia.

YOUR PATH TOWARDS THE AMERICAS

First you'll pause in the Azores, where Fire Lake's turquoise waters are often swirled in mist. Over on Antigua, Nelson's Dockyard is a real favourite, while the tiny islets sprinkled off Tortola's coast are alive with ancient tales of pirates. Nassau in the Bahamas is brimming with colour from snorkelling trips to the flower-filled Ardastra Gardens. Your first continental call is Fort Lauderdale, a city of waterways and a gateway to wider discoveries. Then slow the pace on two of the three ABC islands — Aruba and Bonaire.

FROM ATLANTIC TO PACIFIC WATERS

Soon enough, Puerto Limon may lead you into the bountiful forests of Costa Rica. The richness of the scenery continues during an incredible transit of the Panama Canal, as mankind's ingenuity provides equal wonder. On the other side, Puerto Quetzal in Guatemala may well tempt you towards

Los Angeles. In the heart of movie land, a glimpse behind the scenes at Universal Studios is a must for fans of Hollywood blockbusters. San Francisco resembles a film set too, so familiar are the up-and-down streets, the cable cars and the Golden Gate Bridge that provides such a dramatic greeting.

STEPPING STONES TO AUSTRALIA'S SHORE

First the Hawaiian island of Oahu appears on the horizon, and you might pay your respects at the poignant USS Missouri and USS Arizona memorials in Pearl Harbor. Apia's beauty drew Robert Louis Stevenson in 1890, and you can see where the author lived out his final few years. Two days later, Fiji's firewalkers spark the imagination as they step onto glowing rocks, while plump pineapple and mango catch the eye in Suva market. Finally, your Pacific crossing brings you to Brisbane and then to rest beside Sydney's famous opera house.

French Polynesia

QUEEN VICTORIA EXOTIC ISLANDS THAT LEAVE A LASTING IMPRESSION

QUEEN VICTORIA's World Voyage strikes a superb balance. You'll step ashore in tireless cities like Los Angeles, Sydney and Auckland. There are sleepy colonial towns to discover in Latin America. Caribbean gems are laid-back and friendly; relaxing Pacific isles blend emerald jungle, cobalt lagoons and black pearls. Once woven together, they create a sublime experience over 103 nights.

Two Ships, One World

Singapore

Cape Town, South Africa

Aruba

If you can't make up your mind among our epic discoveries, you can combine two to create your own perfect World Voyage holiday.

All three of our ships set off across the globe at the same time during early 2015. They even arrive back into Southampton on the very same morning. With this, an exciting opportunity arises to combine the itineraries of two ships and create your very own World Voyage. There are seven combinations in all, departing from San Francisco, Los Angeles or New York.

Whichever most appeals, you'll swap one luxurious ship for another in Australia, arriving via the Americas and across the Pacific on either *QUEEN ELIZABETH* or *QUEEN VICTORIA*. Your return journey may depart the following day, thanks to *QUEEN VICTORIA'S* rendezvous with *QUEEN MARY 2* in Sydney to mark our

175th Anniversary, or you may not leave until a week and a half later. If that's the case, Australia is your oyster. Maybe wider exploration is in the cards — perhaps even into the heart of the country to see sacred Uluru glow orange, red and deep maroon at sunset. The choice is yours.

Your homeward cruise could lead west across the Indian Ocean to the South African cities of Durban, Port Elizabeth and Cape Town, visiting Namibia and two Atlantic isles on *QUEEN MARY 2*. *QUEEN VICTORIA'S* return adds yet more gorgeous islands in the Pacific to your holiday memories; the vibrant Americas and Caribbean draw you back to Southampton via the Atlantic.

General Information

RESPONSIBILITY

Transportation of passengers and baggage on Cunard is governed by the Cunard Passage Contract, a copy of which will be included with your preliminary documents and is also available upon request. The Passage Contract represents the entire agreement between Cunard and the passenger. It is important that you carefully read the entire Passage Contract, as it sets out the rights and responsibilities of Cunard and the passenger.

Cunard shall have the right to cancel or alter in any way any scheduled sailing or itinerary which, in its sole judgment and discretion, is justified for any reason and to do so without liability for damage or for any loss to passengers. Cunard also reserves the right, in the event of a full-ship charter or for any other reason, to cancel reservations and bookings whether or not a deposit or full payment has been received. In such an event, Cunard's only liability will be to refund to passengers the amount it has received.

The passenger is responsible for arriving at the respective ports on time for embarkation and for joining the vessel at its next port of call, if for any reason, a scheduled sailing is missed. Cunard reserves the right to refuse or discontinue passage to anyone when in Cunard's sole judgment, it would be considered a risk to the passenger's own safety, well-being and health or a risk to the safety, well-being, comfort and enjoyment of any other passenger or crew member.

DEPOSITS

Bookings made on or before 31 May 2014 require a 15% deposit within three days of reservation. An additional 15% deposit will be due on 1 June 2014. Bookings made after 31 May 2014 require a 30% deposit within three days of the reservation. Staterooms are subject to cancellation if required deposit amount is not received within the specified option period.

BALANCE OF PAYMENT

Full payment for all cruises less than 30 days must be received by Cunard no later than 90 days prior to sailing. All reservations are subject to cancellation if payments are not received by the due date, and are guaranteed only when paid in full at 90 days prior to sailing. Final payment is due at 120 days prior to sailing on all cruises 30 days or longer. Reservations made between 120 and 31 days of sailing require full payment within 24 hours of booking. Reservations made within 30 days of sailing require full payment at time of booking.

METHODS OF PAYMENT

Only U.S. dollar payments are accepted via agency check, personal check, American Express, MasterCard, Visa, Diner's Club or Discover Card. Expenses incurred for on board services/products by the passenger or by Cunard on behalf of passengers, shall be paid by passenger prior to disembarkation.

GENERAL CANCELLATION/REFUND POLICIES

Cancellation charges for all cruises of more than 30 days:

Number of Days Before Travel	Cancellation Fee
121 days or more	None
120 to 91 days	Deposit amount
90 to 64 days	50% of full fare
63 to 43 days	75% of full fare
42 days or less	100% of full fare

Note: Policies may vary for cruises of less than 30 days.

The above cancellation charges apply to all travel including cruise, airfare, land arrangements and optional hotel/land extensions. If non-cruise components only are cancelled, the passenger will be responsible for any cancellation charges imposed by the airlines, other transportation carriers, tour and ground operators or hotel properties.

ON BOARD CREDIT

If you are due to receive On Board Credit this will be applied to your account on the first night of your cruise. On Board Credit cannot be used for any of the following: prepaid shore excursions, Cash Back, Casino/Gambling charges, Foreign Exchange, Any Medical Services/Prescriptions, Charities or for payment of International Visas. This also applies to any gift credits that may be applied to your account.

CUNARDCARE

We recommend that all passengers purchase some form of travel protection that includes cancellation and interruption coverages as well as medical expenses and emergency evacuation benefits. For your convenience, we offer CunardCare, a package of benefits comprised of the CunardCare Cancellation Fee Waiver, the CunardCare Travel

Insurance and the CunardCare Worldwide Emergency Assistance Programs designed for our most valued passengers.

BAGGAGE AND VALUABLES

Though we take reasonable care in the handling of baggage, Cunard's responsibility for lost, damaged or misplaced baggage and other personal property is limited by the Passage Contract. Cunard Line is not responsible for camera equipment, laptops, cash or other similarly fragile and valuable items contained in checked or unchecked baggage. These items, as well as medications and prescriptions in their original packaging, should be carried on and off the ships by the passengers themselves. Safe-deposit boxes or in-room safes are available free of charge on board. For your safety, all passengers and all baggage must pass a security checkpoint.

CHILDREN TRAVELLING WITH AN ADULT

Children under 18 years of age must be accompanied by an adult and must be at least one year in age to sail.

EMBARKATION/DISEMBARKATION

The ship generally will be available for embarkation four hours before the scheduled sailing time. Due to limited facilities, passengers should not arrive earlier than the embarkation time noted on final documents. On disembarkation day, staterooms must be vacated at the time advised by the Hotel Manager. Once customs and immigration clearance has been completed, passengers making their own air arrangements should allow three to four hours for transfer time to the airport.

Cunard Line offers optional transfers and hospitality services to the port on embarkation day. Group transfers and service use motor coaches or minibuses; private transfers use luxury sedans for two passengers or luxury club vans for four to eight passengers.

Where available, hospitality services provide you with transfers from your incoming flight to a deluxe hotel at which point your luggage is transported from the hotel directly to the ship. You are free to relax and enjoy the comforts of a Cunard hospitality room and use the hotel as a base from which to explore. Contact your Travel Agent or call Cunard at (800) 728-6273 for more information.

PASSENGERS WITH DISABILITIES/SPECIAL DIETS

Passengers with disabilities are welcome aboard Cunard vessels. Due to the configuration of our ships, however, wheelchair users and individuals with sight impairments may experience some difficulties in accessing certain areas. Where any individual would be unable to be safely and comfortably accommodated, we suggest that the passenger be accompanied by a companion. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Upon notification by a passenger with a disability, Cunard Reservations will provide stateroom and bathroom doorway widths and other pertinent access limitations on board the vessels. Cunard is pleased to permit individuals to bring service animals on board. In order to make appropriate arrangements, notice that a passenger will be travelling with an animal must be provided at the time of booking. Local laws or customs may prevent animals from disembarking at particular ports and countries. It is the passenger's obligation to obtain all documents/health certificates that may be required. Consult local customs authorities for information and requirements.

If passengers have special dietary needs, Cunard must be advised at time of booking or, at the latest, six weeks before sailing. Every effort will be made to comply with such requests.

GOVERNMENT FEES AND TAXES

"Government Fees and Taxes" may include any and all fees, charges, tolls and taxes imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to U.S. customs fees, head taxes, Panama Canal tolls, dockage fees, wharfage fees, air taxes, hotel or VAT taxes incurred as part of a land tour, inspection fees, immigration and naturalisation fees, and Internal Revenue Service fees, whether assessed on a per passenger, per berth, per ton or per vessel basis. In the case of per ton or per vessel assessments, those assessments will be spread over the passengers on board. Government Fees and Taxes are subject to change and Cunard reserves the right to collect any increases in effect at the time of sailing, even if the fare has already been paid in full.

CUNARD® COMPLETEAIR PROGRAMME, BOOKING PROCEDURES, IDENTIFICATION AND REFUNDS

Passengers purchasing flights under the Cunard® CompleteAir

Programme may select either Flexible or Restricted fares that offer differing levels of flexibility. Passengers booked on Restricted fares are required to pay for their flights in full at the time of booking. Passengers booked on Flexible fares must pay for their flights in full no later than Final Payment due date, as indicated by Cunard Line reservations system. Passenger agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Passenger is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport). All airline tickets are the property of the carrier and must be returned to carrier. Passengers purchasing flights under the Cunard® CompleteAir Programme may choose their flight and cabin at the time of booking. Passengers will be able to choose from a selection of flights under either the Flexible or Restricted programme.

CUNARD® COMPLETEAIR NEXT PORT PROTECTION

Passengers who book air travel through Cunard® CompleteAir will be automatically enrolled in the Cunard Next Port Protection programme. If passengers miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Cunard will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the Passenger. Please note, this applies to all cruises except Transatlantic Crossings.

SERVICES PROVIDED BY INDEPENDENT CONTRACTORS

All shoreside tours and services described in this brochure, including air, transfers and shore excursions are provided by independent contractors. Cunard acts solely as the ticketing agent for all shoreside activities. Cunard shall have no obligation or liability of any kind to passengers for acts or omissions in connection with or arising out of arrangements with independent contractors, including but not limited to airline carriers, ground/tour operators, hotels and on board physicians since they are neither agents for nor employees of Cunard.

INTERNATIONAL TRAVEL DOCUMENTS & HEALTH INFORMATION

It is the passenger's obligation to obtain and carry with him/her a valid passport, visas, parental authorisations if required, and public health documents for all applicable ports of call and overland tour destinations. Your passport must be valid for a minimum of six months past the last day of your trip. Consult your travel agent for advice on such requirements. For non-U.S. citizens or non-U.S. legal residents disembarking in a U.S. port, the U.S. Department of Homeland Security requires you to provide your address while in the United States after your cruise.

Approximately three months prior to departure, guests will be sent a visa application package and requirements for their specific itinerary from an independent visa agency. We strongly recommend that all passengers avail themselves of this service. Depending on the area of the world visited, vaccination/immunisation requirements vary considerably, and are subject to change at any time. We suggest that passengers travelling outside of their country of residence consider being immunised against Hepatitis A, Typhoid, Diphtheria, Polio and Tetanus. An international certificate, approved by the World Health Organization, is the best medium for verification that inoculations and vaccinations have been satisfactorily performed, and is accepted by health officials at all ports of call. We strongly recommend that all passengers contact their personal physician, the Department of Public Health or the Centers for Disease Control to obtain expert medical immunisation recommendations for their intended itinerary and travel plans and to specifically address Malaria and Yellow Fever requirements in time to receive any necessary vaccinations/immunisations. Any Malaria prophylaxis medication recommended must be obtained prior to joining the vessel.

Every effort has been made to ensure that the information presented is accurate at the time of printing. Ship details and other information presented are subject to change at any time, at the discretion of Cunard.
