# SEE THE BEST OF THE WORLD WITH PRINCESS®

Whether your tastes lean more towards sipping wine in a Tuscan vineyard or wiggling your toes in the Caribbean sand, Princess® has a vacation just for you.

**Awe-Inspiring Alaska.** Few places evoke the kind of wonder that the Great Land does. Princess is the leader in Alaska, and our land & sea vacations combine a cruise with our exclusive rail and wilderness lodges.

**Classical Europe.** With over 40 award-winning itineraries on small and large ships, Princess brings you both the most popular destinations and less-frequented ports throughout the Mediterranean, Northern Europe and the British Isles.

**Close to home.** Near to wherever you may call home in the Americas are voyages to the Caribbean, Panama Canal, Mexico, Canada & New England, Hawaii or the Pacific Coast.

**Exotic destinations.** Our ships sail far and wide across the globe — to such far away locales as Asia & Africa; friendly Australia & New Zealand; the idyllic isles of Hawaii, Tahiti & the South Pacific; and endlessly alluring South America.

**World Cruises.** Why not see all of it on a single voyage? Join Princess for the greatest itinerary of them all — a World Cruise, over 100 days on one of two global sailings on board two different ships.

# COME BACK NEW

A vacation should be about more than just getting away. You should return rejuvenated and renewed — with new memories, new perspectives, possibly even new friends. At least that's the way we see it at Princess®. Just as important as where you are going is what you bring home.

Out here, at sea — with the sparkling water and endless horizons — you can't help but discover new things. Or rediscover parts of yourself you'd forgotten. And there's no better time to sail for new shores than our 50th Anniversary season, as we celebrate 50 years of adventures exploring every corner of the earth. And as you cruise toward that horizon to places you've always dreamed of seeing, out on deck taking it all in, you'll remember why it was so important that you set sail, and how you can't help but *come back new*.

# A DESTINATION ALL ITS OWN

It's afternoon in the Atrium — the central hub of your Princess® ship. And much like the quaint city squares you'll visit ashore, the Piazza on Deck 5 is bustling — people are laughing and conversing over a latte or glass of Australian shiraz as you enjoy a folkloric performance nearby. The experience of your destination infuses every moment aboard.

As you get to know each deck and every restaurant and lounge, you'll begin to feel more and more at home. Returning to the ship each day, relaxing at dinner and sharing stories with fellow guests about your discoveries ashore, you'll find your life becoming richer in ways both large and small.

Enjoy fine wines from around the world, including many carefully selected from the regions you are visiting and the largest selection of Super Tuscans at sea.
- **Discover signature experiences** including the on-deck oasis, The Sanctuary, the Lotus Spa®, Movies Under the Stars® and more.
- **The Princess® staff** hail from around the world and specialize in our signature friendly, attentive service — just one reason Princess was named “Cruise Line with Highest Client Satisfaction” by travel agents in the 2014 *TravelAge West WAVE Awards*. On your Princess® ship, whether you feel like socializing, exercising or finding a solitary spot by a pool with a good book, we've always got just the thing.

Each day, you'll have practically endless possibilities — learn about the next day's port in an engaging presentation, get a manicure, go shopping and then head to a tasting of Mexican tequilas. Best of all, you can follow your mood wherever it takes you, and return home refreshed, rejuvenated and renewed.

Your cruise fare is determined by several factors—destination and length, time of year, stateroom choice and availability. Stateroom fares are quoted per person

To learn more, visit [princess.com/staterooms](http://princess.com/staterooms).

## 7 Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to get away from it all. Book early for the best selection of staterooms. # STYLE, COMFORT AND CHOICE

From spacious suites to stylish interiors, each Princess® ship offers a wide variety of accommodations with amenities from 100% Egyptian cotton linens and duvet to down pillows, luxurious sundries and more — including a large percentage of affordable balcony staterooms. Here's an overview of the stateroom options available, with something for every taste and budget.

## Suite with balcony

Surrounding you with luxurious accommodations, a spacious suite with balcony includes all the amenities of a mini-suite, plus incredible premiums. These include

luxury balcony furniture, deluxe canapés, fresh flowers, DVD/CD player, free access to a DVD library†, two flat-panel TVs, one complimentary mini-bar setup, upgraded bathroom amenities, laundry and professional cleaning services. Plus, suite passengers can enjoy a complimentary dinner in one of our specialty restaurants on embarkation day.\* Approximately 460 to 932 square feet, including balcony. Window suites are also available as a more affordable option.

\* Applicable on cruises 6 days or longer.

† Suites on ships with Video On Demand will not offer DVD/CD players and access to DVD.

## Mini-suite with balcony

A mini-suite with balcony is substantially larger than a balcony stateroom.

It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 323 square feet, including balcony.

## Family suite

Each suite is actually two self-contained staterooms interconnecting through a large living room which leads to an oversized private balcony. Each suite sleeps up to eight people. Approximately 595 to 606 square feet.

## Wheelchair-accessible staterooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 237 to 383 square feet based on stateroom category. Visit [princess.com](http://princess.com) for more details.

For detailed deck plans & virtual tours, visit: [princess.com/ships](http://princess.com/ships)

### Deluxe balcony

A Regal Princess® and Royal Princess® exclusive, this is an enhanced version of a balcony stateroom and includes

a comfortable sofa bed. This stateroom also offers some of the same amenities found in a mini-suite stateroom, including upgraded bathroom amenities, waffle bathrobe, terry cloth towels, plus all the amenities of a balcony stateroom. Approximately 214 to 279 square feet including balcony.

### Balcony

This impressive stateroom offers the elegance of a balcony with fine patio furniture. Other amenities

include a spacious closet, desk and a bathroom with shower. Approximately 214 to 279 square feet, including balcony.

### Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing added

ambience and memorable views. Approximately 146 to 206 square feet. Deluxe Oceanview, a larger version of the Oceanview double is also available on select ships.

### Interior double

Our interior stateroom is a great value.

It features two twin beds that make up into a queen-size bed. Other amenities

include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 158 to 162 square feet.

Note: Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1-800-774-6237 for more information.

Cruises 7 to 29 days (including World Cruise Segments)	Final Payment due 75 days prior to sailing
Cruises 30 days or more (including Full World Cruise & World Cruise Segments)	Final Payment due 120 days prior to sailing

Bookings made within 120-31 days prior to departure require full payment within 24 hours. Bookings made within 30 days of departure require full payment at time of booking. Staterooms are subject to cancellation if deposit/payments are not received within the periods stated above. Those with a POLAR Online Owner profile can pay for bookings using the secure "Bank Payment" function via [onesourcecruises.com](http://onesourcecruises.com). All agent check payments for cruises and cruisetours should be sent to: Princess, Attn: Cash Operations, Post Office Box 913, Santa Clarita, CA 91380 or 24844 Ave. Rockefeller, Santa Clarita, California 91355. All agent credit card payments for cruises should be phoned in to 1-800-421-1700.

**Cruise Personalizer®.** As you prepare for your Princess vacation, you will need to provide us with important information. Please visit the Cruise Personalizer at [princess.com](http://princess.com) and review the Passage Contract, complete all required Passenger Immigration information and provide an email address and home and cell phone numbers so that we may communicate important pre-cruise information with you. Your Travel Summary, which may be viewed at any time, includes your itinerary, travel document/visa/vaccination requirements and more. Any additional documents such as airline eTicket receipts or paper air tickets, etc., may be sent via fax, mail or email to your travel agent approximately 14 days prior to departure. If Internet access is not available, your travel agent will assist you in securing the necessary information or call 1-800-774-6237 for assistance.

**Digital Documents.** To help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Answer Place at [princess.com](http://princess.com) as well as other helpful advice.

**Boarding Pass, Travel Summary and Luggage Tags.** Your Boarding Pass and Travel Summary verify your passenger status throughout the embarkation process, from port security to cruise check-in. By presenting your Boarding Pass at cruise check-in, you'll experience an expedited check-in. If you are unable to print your Boarding Pass, please print your Travel Summary to carry with you to cruise check-in. Personalized luggage tags are available via the Cruise Personalizer and can be printed from your home computer. Your Boarding Pass and luggage tags may be printed within 75 days of sailing once your booking is paid in full and all required Passenger Immigration information, including a credit card to establish your onboard account, has been provided.

**Cancellation of Reservations.** Cancellation notices must be received by Princess via telephone or via electronic device through a Princess-authorized Computerized Reservation System (CRS). Changes

of sailing date or substitution of passenger names are considered to be cancellations and new bookings. All sailing date changes and name substitutions are subject to space availability and, if accepted, are subject to the rates, discounts, cancellation fees and booking conditions in effect at the time of the change or substitution.

All passengers are required to pay a cancellation fee (including 3rd- and 4th-berths) if they cancel their cruise, cruisetour or Cruise Plus package. Cancellation fees are based on the fare paid, excluding Government fees & taxes, transfers, fuel supplement, shore & land excursions and most special service items. The amount of cancellation fee varies based on length of sailing for cruise/ cruisetour and timing of cancellation for cruise/ cruisetour and Cruise Plus package, as illustrated in the schedules below.

**Cancellation Fees and Refunds.** The following policy applies to cancellations with respect to cruise or cruisetour fare and pre-cruise and post-cruise package charges ("Total Charges").

Days prior to Cruise or Land Package Departure date, whichever comes first

Cruises 6 days or less	Cruises 7-29 days	Cruises 30 days and more	Cancellation Fee
59-45	74-57	119-90	Brochure Deposit Amounts
44-29	56-29	89-64	50% of Total Charges
28-15	28-15	63-43	75% of Total Charges
within 14 days	within 14 days	within 42 days	100% of Total Charges

Any refund owed to you will be made directly to your credit card account or your travel agent and you must receive your refund directly from these sources.

Some travel agents may, at their discretion, withhold an agency cancellation fee. Princess is not responsible for payments made to the passenger's travel agent but not received by Princess, or for the passenger's receipt of any refund which Princess has paid to the passenger's travel agent. There will be no refund of cancellation or interruption fees by Princess under any circumstances. You must recover such fees from your own insurance or from Princess Vacation Protection/Princess Platinum Vacation Protection.

**Cancellation Policy Exception.** If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your cruise or cruisetour fare if you cancel your booking.

**Air Refunds.** Once airfare is paid in full, if air is cancelled, refunds may be available net of:

- any cancellation fees charged by Princess
- any cancellation fees charged to Princess or passenger by airlines.

Refunds will occur after the airline and Princess cancellation fees have been assessed. In the event a paper ticket was issued and the air tickets are not returned to Princess, there will be no refund.

**Princess Vacation Protection.** With Princess Vacation Protection, you'll be covered up to the full value of your trip. Please contact your travel agent for a description of this program and refer to the Princess Vacation Protection information pamphlet for specific details. Rates for Princess Vacation Protection and Princess Platinum Vacation Protection are subject to change without notice. Please contact your travel agent for current rates.

**Baggage Handling.** Princess makes every effort to assist its passengers in safeguarding their belongings and valuables, but all passengers' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the passenger at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, we have provided a safe in each stateroom. For flights within land tours and to and from the ship, weight restrictions on baggage apply.

**Stateroom Occupancy.** Occupancy of any stateroom(s) is limited to the number of berths in that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

**Important Notice Concerning Safety.** Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety on board its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that passengers and their travel agents obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

**Travel Agents.** Your travel agent acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel agent to make your Princess reservations or call 1-800-774-6237.

**Travel and Health Documents.** Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the passenger to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Passengers should consult their travel agent for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

**Health, Disability and Wheelchair Notice.** Passengers must notify the Princess Fleet Medical Department in writing (fax number 661-753-0121) at the time of booking of any physical or mental illness, disability or other condition that may require medical treatment or render the passenger unfit to travel or which may constitute a risk or danger to the passenger or anyone else on board the ship. Passengers are requested to notify the Princess Access Office in writing (fax number 661-284-4408) at the time of booking of any condition for which special accommodation or the use of a wheelchair, power wheelchair or scooter is contemplated or necessary. We recommend passengers using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use on the land portion of a cruisetour and a Cruise Plus hotel package. If you have purchased Princess eZAir and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

**Refusal of Passage and Premature Disembarkation.** Passage may be refused to any passenger, and any passenger's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the passenger's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else on board the ship. Additionally, the ship's Captain may refuse transportation to any passenger or may terminate any passenger's voyage who, in the sole discretion

of the ship's Captain, is believed to be dangerous to himself or others or whose presence on board causes or may cause disturbances to Princess' passengers or crew, including those passengers engaging in excessive, disruptive, or obscene behavior. Such passenger may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any passenger who must leave the vacation prematurely for any of the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the passenger. Princess reserves the right to refuse to do business with any person.

**Medical Center and Staff.** Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any passenger. These medical providers exercise their own medical judgment and expertise.

**Pregnancy.** Princess medical centers do not have neonatal ICUs. As the health and safety of mother and child are so important to us, we cannot accept passengers who have entered the 24th week of estimated fetal gestational age at any time during the cruise.

**Children/Age Requirements.** Children under six months are not permitted to travel to Alaska, Canada & New England, Caribbean & Mexico, Europe and Panama Canal. Children under twelve months are not permitted to travel to Africa, Asia, Antarctica, Australia, New Zealand, Indian Subcontinent, South Pacific, Tahiti, Hawaii, South America and on Transatlantic and Transpacific sailings. Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. All passengers under the age of 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for passengers under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Minimum age for escorted cruisetours is 5 years old. Passengers under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth Centers and Teen Lounges for special disco events designed for kids and teens.

- **For cruises on Dawn, Diamond, Golden, Sea and Sun Princess operating in Australia:** For cruises departing from Australian ports between 1 November and 7 January, any passenger under 19 years of age on the day they board the cruise, must travel in the same stateroom as a responsible adult 19 years or older. In addition, from 8 January to 31 January, there is a limit on the number of passengers under 19 years of age who can travel unaccompanied. Once the limit is reached, a responsible adult 19 years or older must travel in the same stateroom. We can advise you at the time of booking whether the limit applies to your booking. Princess Cruises can waive the responsible adult requirement at its discretion. The responsible adult is accountable for passengers under 19 years of age in their stateroom for the duration of the cruise, and the 'Rights of the Captain' will be applied to anyone who displays disruptive behavior.

- **For cruises on Diamond operating in Japan and Sapphire Princess operating in China and Singapore:** All passengers under the age of 20 must travel with a passenger age 20 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are travelling with a parent or legal guardian. We are unable to accept group reservations for student and youth

groups that do not conform to our minimum age requirements. Each passenger agrees that they will supervise any passengers in their care at all times to ensure all policies are strictly adhered to by all passengers under their supervision.

**Pets.** We are unable to accommodate any animals on board the vessel, except for certain service animals of passengers with disabilities.

**Shore Excursions and Land Tours.** These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour whether or not such shore excursion or tour was purchased through Princess.

**Land and Air Arrangements.** Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

**Cruisetour and Cruise Plus® Hotel Programs.** Princess reserves the right to substitute hotels of similar type and other features of the tour or hotel package. Bookings made for Cruisetours and Cruise Plus Hotel Packages after tickets have been issued may result in a higher cost due to changes in air reservations. Hotel check-in times vary, but are generally between 3 p.m. and 5 p.m. unless otherwise stated. Check-out times vary between 10 a.m. and noon. All special requests such as non-smoking rooms, king-size beds, etc. are at the discretion of the individual hotel property. Every effort is made to accommodate your request, but it cannot be guaranteed. Please note: single occupancy rooms may be quite small, with one twin, and triple occupancy rooms may have one double bed and a rollaway, not recommended for three adults. Hotel loyalty programs are at the discretion of the individual hotel properties. Most hotels are not owned or operated by Princess. Land programs require a minimum number of passengers to operate.

**Claims for Injury, Illness or Death/Notice Requirements/Time Limits.** Any incident or accident resulting in injury, illness or death to the passenger, whether occurring on board ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or bodily injury, illness or death to the passenger unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within six (6) months from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in Santa Clarita or Chatsworth, California.

**Smoking, Drinking and Gaming.** Smoking is prohibited in passenger staterooms and balconies. Violations to this policy will result in a \$250 fine for each occurrence, which will be charged to the passenger's stateroom account. Clearly marked "Designated Smoking Areas" are available on board

and include a sufficient number of ashtrays that are emptied regularly. The use of electronic cigarettes are permitted within the confines of the passenger's stateroom (balcony not included) and within designated smoking areas only. Show lounges, dining rooms and all food services areas on board all Princess ships are non-smoking. Generally, the minimum passengers' age to purchase or smoke tobacco must be 18 years of age or older. The minimum passengers' age to purchase and drink alcoholic beverages, and gamble on board must be 21 years of age.

The following information is provided as general guidance:

Minimum age to:			
Sailing from	GAMBLE	DRINK	SMOKE
U.S.	21+	21+	18+
Alaska	21+	21+	19+
Japan	20+	20+	20+
UK, Australia & Asia (not incl. Japan)	18+	18+	18+

Duty-free alcohol is available for purchase in our gift shops on board and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed on board. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne on board to celebrate a special occasion. Wine and/or champagne brought on board and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee, which is subject to change. Liquor, spirits or beers are not permitted. Alcohol outside of our policy will be removed and discarded.

**eZAir® Program and Passenger Transfer Gateway Cities.** The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice.

**eZAir Program Booking Procedures, Identification and Refunds.** Passengers purchasing flights under the eZAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Passengers booked on restricted fares are required to be paid in full at the time of booking. Passengers booked on flexible fares must be paid in full no later than the Final Payment due date, as indicated by Princess Cruises' reservations system. All flights and air pricing are subject to change until full payment is received by Princess Cruises.

Passenger agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Passenger is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport). All airline tickets are the property of the carrier and must be returned to carrier.

Passengers purchasing flights under the eZAir Program may choose their flight and cabin at the time of booking. Passengers will be able to choose from a selection of flights under either the Flexible or Restricted program.

**Ticketing.** Depending on your itinerary, paper air tickets may be required and will be sent under a separate mailing. These tickets must be presented to the airline for travel. Princess may use a charter air service. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Princess may issue paper or electronic airline tickets. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revaluated, or exchanged for another carrier or routing. Many airlines will charge a fee for one or more checked bags. Please contact the airline in your itinerary for details.

**Air Departure Taxes.** Some countries require passengers to pay an airport departure tax which is not included on the passenger air ticket. The individual passengers are responsible for this tax.

In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel agent verify any applicable tax for which the passenger may be responsible.

**Airfares, Fees and Taxes.** Airfares include air transportation and airline-imposed fuel surcharges. Air fees and taxes include any and all fees, charges and taxes related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to, passenger facility charges, departure taxes, a September 11th Security Fee of up to \$10 per passenger, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes).

**Airline In-Flight Service Requests.** Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

**Overnights.** For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for passengers to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at passengers' expense. Passengers will also be responsible for all meals and other items of a personal nature. Passengers may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements.

**eZAir Next Port Protection.** Passengers who book air travel through Princess Cruises will be automatically enrolled in the Princess next port protection program. If passengers miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Princess will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the passenger.

**Flight Reconfirmation.** Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

**Princess' Transfer Program.** Cruise and cruisetour passengers may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only. They are available to both eZAir passengers and to those passengers who have made independent flight arrangements. Unused transfers are not refundable. Transfers within the land portion of cruisetours and for Cruise Plus passengers are included in the price. Transfers at both ends of a cruisetour will be charged separately. Note: It is your responsibility to know the local regulations regarding child safety seats or other child restraint systems as well as to provide the appropriate safety device. Failure to do so may result in denied boarding on to the transfer vehicle.

**Accuracy of Contents.** The contents of this brochure are accurate as of the date of printing. Princess reserves the right to change any and all policies or practices described herein. Please refer to the website (princess.com) for up-to-date information. The Passage Contract will at all times govern the rights and responsibilities of Princess and all passengers or cruise purchasers.
