ADVENTURE ON A GRAND SCALE

The native Aleuts named this territory *Alyeska*, or the “Great Land.” As you discover her epic landscapes, incredible wildlife and colorful, historic culture, you’ll agree — Alaska is a destination that defies even the grandest superlatives.

Imagine spotting a bear while ascending toward the Yukon on a vintage train, kayaking beside orcas in a pristine fjord, or gasping as a 10-story tidewater glacier calves off a building-sized iceberg with a thunderous crack into the sea. All right before your disbelieving eyes. This is, indeed, a Great Land. And with Princess, you’re sure to experience it all and come back with memories you’ll never forget.

ALASKA CRUISES

Discover Alaska's fabled tidewater glaciers and coastal towns, with a variety of itineraries and embarkation point options. Enjoy special presentations, guest speakers and authentic Alaska cuisine on board.

- **Signature 7-day Voyage of the Glaciers one-way sailings** with two glacier viewing experiences — spectacular Glacier Bay National Park, and either College Fjord or Hubbard Glacier. See page 56 for details.
- **Inside Passage roundtrip sailings** that visit either Glacier Bay National Park or beautiful Tracy Arm Fjord. See page 58 for details.

LAND & SEA VACATIONS

A sense of scale, Alaska-style on the Kenai Peninsula

ICE AGE WONDERS

The native Tlingit call it “white thunder” — the moment the silent and majestic glacier suddenly calves, dropping a massive iceberg with a thunderous crack into the sea below. It’s an experience you’ll *always* remember.

Each of our voyages in Alaska gives you the opportunity to see some of these ice-age giants up close and, if you’re fortunate, to witness the grandeur of calving. For a more personal perspective on Alaska’s glaciers and other scenic wonders, consider choosing an affordable balcony stateroom — and perhaps enjoy our Glacier Bay Champagne Breakfast on your balcony.

Perhaps Alaska's most famous glacier, Margerie Glacier in Glacier Bay National Park, calves icebergs into the tidewater

- **Glacier Bay National Park:** A UNESCO World Heritage Site, pristine Glacier Bay National Park is a roadless wilderness like no place on earth. Only two cruise ships are allowed in per day, which means you're practically alone with the glaciers and sweeping splendor of the park. As you sail through glassy waters toward landmarks like the 40-story-high Margerie Glacier, listen to National Park rangers who join us on board and keep your eyes peeled for humpback whales, orcas and puffins.
- **College Fjord:** In majestic Prince William Sound, College Fjord boasts an incredible 16 tidewater glaciers, each named for renowned Seven Sisters and Ivy League schools.
- **Hubbard Glacier:** At 76 miles long and seven miles wide, Hubbard Glacier is North America's largest tidewater glacier. Named for Gardiner Hubbard, the first president of the National Geographic Society, Hubbard is one of the few glaciers in the world still advancing.
- **Tracy Arm Fjord:** Visited on select Inside Passage cruises, stunning Tracy Arm Fjord is a narrow winding passage of towering granite walls and waterfalls, at the terminus of which lie the twin Sawyer Glaciers.

DISCOVER MORE ON SHORE

You can see Alaska, or you can *experience* Alaska in the way you've always imagined — smelling the briny sea air as you kayak through a fjord, listening to the sound of a waterfall as you watch for bears on a river shore, or reeling in a fresh sockeye salmon from a pristine glacial river.

With over 200 award-winning shore excursions, only Princess can bring you such an incredible selection of authentic, life-changing experiences in the Great Land.

View the spectacular scenery with a zipline ride in Ketchikan

Alaska's most unique mode of transport — the dog sled

- **By Land:** Picture gliding across a glacier on a sled led by a team of friendly sled dogs, or panning for gold at a famous mine. Imagine hiking into one of North America's largest rainforests, or walking through a park filled with towering Native totem poles.
- **By Air:** Get a bit of perspective when you see Alaska from above. Take a flightseeing adventure over snow-covered peaks or misty fjords. Board a helicopter for a glacier landing and hike, or strap on a harness for a thrilling zipline ride over a rainforest canopy.
- **By Sea:** Some of the best adventures here take advantage of Alaska's waters — fishing for salmon on a river or halibut at sea, watching for humpback or orca whales, rafting a whitewater river or exploring the coast by Zodiac®

There's still gold to be found on prospecting tours

WE EVEN BRING ALASKA ON BOARD

In addition to the adventures we offer ashore, we also bring a thrilling variety of enriching Alaska experiences on board. Learn more about Alaska's geology, wildlife and culture as you chat on deck with a park ranger; take in the humor and wisdom of real Alaskans who share their stories; and taste the bounty of fare from Alaska at special dining events. It's all part of what makes Princess the undisputed leader in not simply taking you to Alaska, but immersing you in it.

Enjoying Glacier Bay scenery with a ranger from the National Park Service

- **Meet Alaska:** Guest speakers who come aboard to tell their stories include, in Juneau, the fascinating Libby Riddles, the first woman to win Alaska's famed dog sled race, the Iditarod — a test of character and endurance she illuminates with humor and grace. Hilarious storyteller Steve Hites joins the ship to bring a taste of frontier color in Skagway.
- **Understand Alaska:** There's no better way to appreciate Alaska's nature and geology than to learn from the experts — onboard naturalists and National Park rangers who join the ship for the day on voyages into Glacier Bay.
- **Taste Alaska:** Fresh salmon at on-deck seafood buffets, the Chef's Alaska Dinner, the Reindeer Chili & Rockfish Chowder Cook-Off and Glacier Bay Champagne Breakfast, local microbrew beers and more — these are some of the culinary delights awaiting you in Alaska.

BE CHARMED BY EACH HISTORIC PORT

All along the coast of Alaska and British Columbia you'll discover quaint frontier towns and friendly cities steeped in history, scenic beauty and tradition.

In Alaska's ports, you can still feel the rollicking allure of the gold rush era on the streets and in the saloons, and can see the ubiquitous influence of native cultures in the shops and galleries. In charming Victoria, you'll marvel at colonial buildings and other British touches. And it is here, that you will get to know the unique character of the inhabitants of the Great Land and western British Columbia.

Getting up close to Juneau's famous Mendenhall Glacier

- **Juneau:** Alaska's capital is a vibrant little city surrounded by spectacular natural splendor. You can enjoy its shops and cafes downtown or stand by the face of the 12-mile-long Mendenhall Glacier, Alaska's only "urban" glacier.
- **Ketchikan:** The self-proclaimed "Salmon Capital of the World," Ketchikan is defined by a leisurely pace. Visit the fascinating Totem Bight State Park, enjoy an exciting lumberjack show, or take a flightseeing adventure into nearby Misty Fjords National Monument.
- **Skagway:** No town in Alaska embodies the rustic flavor of the Klondike Gold Rush like Skagway, where you'll still find wooden sidewalks and bawdy stories. Take a ride on the vintage White Pass & Yukon Route Railroad for a taste of the era.
- **Victoria:** Lovely Victoria feels like a bit of Old Europe transported to the coast of British Columbia. Hop a double-decker bus to see the sights, or set out for enchanting Butchart Gardens, one of the region's top attractions.

Lumberjack Show in Ketchikan

SENSATIONAL HOME PORTS & CITIES

In addition to the cities and towns you will visit on your journey, your points of embarkation and disembarkation are, themselves, among some of the West Coast's premier destinations.

- **Anchorage (Whittier):** The largest city in Alaska, Anchorage has everything you'd want from an urban center — restaurants, museums and shopping. Located on the Turnagain Arm between the Chugach and Alaska mountain ranges, it is also ideal for whale and bear watching, hiking, kayaking and other outdoor pursuits.
- **Fairbanks*:** Alaska's "Golden Heart City," Fairbanks is a charming, friendly place and a gateway to the Arctic Circle. But for those who wish to stay in town, you can experience gold rush history with a traditional sternwheeler riverboat ride or a visit to a historic gold dredge.

*Fairbanks is only available on a land & sea vacation.

Stay a few extra days and explore the cosmopolitan city of Vancouver

Take an authentic sternwheeler river cruise in Fairbanks

- **San Francisco:** Few American cities possess the same combination of history, romance and charm as San Francisco. In the timeless “City by the Bay,” you can do it all: explore landmarks like Fisherman’s Wharf and Alcatraz, eat dim sum in Chinatown or pasta in North Beach, and shop in bustling Union Square.
- **Seattle:** More than simply a departure point for the wonders of Alaska, Seattle is a world-class destination in its own right. Head to the top of the Space Needle for an unparalleled view of the city and Puget Sound. Or visit such attractions as historic Pioneer Square and the justly famous Pike Place Market.
- **Vancouver:** What began as a gold rush shanty town founded by a guy named Gassy Jack is now one of the world’s most exciting, cosmopolitan cities. Modern Vancouver boasts a vibrant Chinatown, dazzling Stanley Park, shops and galleries, and the original settlement named for its founder, Gastown.

Pike Place Market welcomes you in Seattle

A brown bear, one of the “Big 5” you might see in Denali

- **Denali National Park:** Flower-filled meadows and pristine rivers, majestic mountains, old mining trails, and rated one of the “Top National Parks for Wildlife Spotting” by *Travel & Leisure* magazine. This is Denali, six million acres of diversity and beauty. A place Princess knows better than anyone.
- **Mt. McKinley:** The tallest mountain in North America is also one of the most picturesque — named among the “Top 10 National Park Landmarks” according to *National Geographic*. And you can experience it closer on a hike or horseback ride, or from above on a thrilling summit flight.
- **A world of wildlife:** On display in Denali is one of the greatest arrays of wildlife in Alaska. Watch for Denali’s “Big 5” — moose, caribou, wolves, brown bears and Dall sheep — as well as various other wild inhabitants.
- **Tours take you deeper:** Most land & sea vacations include the Natural History Tour into Denali National Park. Additional tours are available — including the Tundra Wilderness Tour, Kantishna Experience, and the Windows into Wilderness Tour.

COME BACK NEW

A vacation should be about more than just getting away. You should return rejuvenated and renewed — with new memories, new perspectives, possibly even new friends. At least that's the way we see it at Princess®. Just as important as where you are going is what you bring home.

Up here, in Alaska — with glassy water and forested shores — you can't help but discover new things. Or rediscover parts of yourself you'd forgotten. And there's no better time to sail for new shores than our 50th Anniversary season. As you cruise toward that horizon to places you've always dreamed of seeing, you'll already have a sense of why it was so important that you set sail, and how you can't help but *come back new*.

A DESTINATION ALL ITS OWN

It's afternoon in the Atrium — the central hub of your Princess® ship. And the Piazza on Deck 5, fashioned after a European-style town square, is bustling — people are laughing and conversing over a latte or glass of wine as they enjoy a street performance nearby. The experience on board should be just as memorable as the sights of Alaska.

As you get to know each deck and every restaurant and lounge, you'll begin to feel more and more at home. Returning to the ship each day, relaxing at dinner and sharing stories with fellow guests about your discoveries ashore, you'll find your life richer in ways large and small.

A FEAST FOR THE SENSES

They make it all seem so easy — the chefs and waitstaff on your Princess® ship. The flavors are so fresh, the presentations so creative and effortless. And the most amazing part is that these multi-course dinners you enjoy each evening have the same level of care no matter where you choose to dine.

Alaska is a place of bountiful seafood and wonderful produce. So the bar is set high — especially during our 50th Anniversary season. And we strive to meet it with every handcrafted specialty you'll enjoy at venues like Sabatini'sSM Italian restaurant or in the elegant main dining rooms — delicious fare, made to order, designed to delight.

10 EASY STEPS TO BOOKING

There's a lot to consider when planning a cruise or land & sea vacation with Princess.[®] But with this simple planning guide, you'll be on your way in no time! And should you have more specific questions, feel free to contact your travel agent or visit princess.com.

1 What kind of cruise vacation are you seeking?

Princess has options to match every individual taste and style. Are you a person who enjoys the thrill of visiting many ports and a variety of sites? Or do you prefer voyages with more time out at sea to relax and unwind?

2 Where and when do you want to go?

Princess sails all around the world, 12 months a year. Use the chart below to help you plan where and when you want to cruise with Princess.

2015–2016 Princess Destinations

Destinations	Travel Months
Alaska	May to Sep
Asia & Africa	Apr to Oct
Australia, New Zealand	Oct to May
Canada & New England	Sep to Oct
Caribbean	Sep to Apr
Europe	Apr to Nov
Japan	Apr to Oct
Mexico, Hawaii & California Coastals	Sep to May
Panama Canal	Sep to May
South America	Dec to Mar
Tahiti & South Pacific	Sep to Apr

3 How do you choose the itinerary that's best for you?

Named the "Best Cruise Line Itineraries" by *Recommend Magazine* nine years running, Princess offers a variety of sailings from a few days to over a month. Simply decide the length of vacation time you have and any places and experiences to check off your travel bucket list, and you're on your way!

4 What's your budget?

Your cruise fare is determined by several factors—destination and length, time of year, stateroom choice and availability. Stateroom fares are quoted per person

and based on double occupancy—with elegant and casual dining options, onboard entertainment like production shows, musicians and comedians, a Las Vegas-style casino and much more included with your fare.

5 Do you have a preference of ship?

Princess has everything from grand ships carrying over 3,000 passengers to smaller, more intimate vessels accommodating just 680. Ask your travel agent for more details, or visit princess.com/ships to learn more about each of our ships or to take a virtual tour of their public areas.

6 What sort of stateroom best fits your needs?

Princess has a wide variety of staterooms from which to choose, each including a range of amenities from flat-screen TVs and a refrigerator to a spacious closet and private bathroom. Balcony staterooms give you added space and your own place to relax outside on fine patio furniture and enjoy the unforgettable views. Suites and mini-suites offer even more square footage and premiums such as a sofa bed and upgraded amenities, including a luxury mattress and pillows. An oceanview double includes a large picture window, providing added ambience and memorable views, and our most affordable option is the interior stateroom, which has fine amenities and no windows. To learn more, visit princess.com/staterooms.

7 Are you traveling with kids, friends or family?

Traveling with family or a group of friends can be a wonderful way to get away from it all. Book early for the best selection of staterooms. Be sure to inquire about having your group's staterooms close to one another. For those sailing with kids, our onboard youth and teen programs are excellent, and family-friendly shore excursions are available.*

8 Do you need help booking air, hotel or transfers?

Princess can assist you with travel logistics not included in your fare, such as air, hotel and transfers to and from your ship to your airport or hotel. Princess eZAir[®] is a convenient and easy planning tool from Princess that offers competitive fares and Next Port Protection, getting you on board at the next available port in the event you miss your embarkation. And our Cruise Plus[®] Hotel program offers peace of mind and convenience, with excellent centrally located hotels to stay in before or after your voyage. To learn more about Princess eZAir, our Cruise Plus Hotel program and transfer options available, ask your travel agent or visit princess.com.

9 What kinds of land and shore excursions most interest you?

From sightseeing and nature tours to off-the-beaten-path adventures and more, you can experience the best of every destination on an award-winning shore or land excursion offered by Princess. And it is easy for you to choose the right tour, with excursions categorized by interest and activity level. Pre-reserve your shore excursions for the best selection and availability. Contact your travel agent or visit princess.com/excursions to learn more.

10 What if you need to cancel?

It is important to note there are restrictions regarding fare refunds, and cancellation fees may be assessed based on the length of your cruise and how many days prior to your cruise departure date that Princess Cruises is notified of your cancellation. Visit princess.com for specific details. For a great option to protect your vacation, refer to the Princess Vacation Protection information pamphlet on princess.com or contact your travel agent for more details.

For additional questions, please contact your travel agent or visit princess.com

STYLE, COMFORT AND CHOICE

From spacious suites to stylish interiors, each Princess® ship offers a wide variety of accommodations with amenities from 100% Egyptian cotton linens and duvet to down pillows, luxurious sundries and more — including a large percentage of affordable balcony staterooms. Here's an overview of the stateroom options available, with something for every taste and budget.

Suite with balcony

Surrounding you with luxurious accommodations, a spacious suite with balcony includes all the amenities of a mini-suite, plus incredible premiums. These include

luxury balcony furniture, deluxe canapés, fresh flowers, DVD/CD player, free access to a DVD library†, two flat-panel TVs, one complimentary mini-bar setup, upgraded bathroom amenities, laundry and professional cleaning services. Plus, suite passengers can enjoy a complimentary dinner in one of our specialty restaurants on embarkation day.*

Approximately 460 to 932 square feet, including balcony. Window suites are also available as a more affordable option.

Family suite

Each suite is actually two self-contained staterooms interconnecting through a large living room which leads to an oversized private balcony. Each suite sleeps up to eight people. Approximately 595 to 606 square feet.

* Applicable on cruises 6 days or longer.

† Suites on ships with Video On Demand will not offer DVD/CD players and access to DVD.

Wheelchair-accessible staterooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 237 to 383 square feet based on stateroom category. Visit princess.com for more details.

For detailed deck plans & virtual tours, visit: princess.com/ships

Mini-suite with balcony

A mini-suite with balcony is substantially larger than a balcony stateroom.

It includes all the amenities of a balcony stateroom and these added luxuries: welcome glass of champagne, separate sitting area, sofa bed, luxury mattress and pillows, two flat-panel TVs, a spacious closet, desk, bathroom tub and massage shower head. Approximately 323 square feet, including balcony.

Balcony

This impressive stateroom offers the elegance of a balcony with fine patio furniture. Other amenities

include a spacious closet, desk and a bathroom with shower. Approximately 214 to 279 square feet, including balcony.

Oceanview double

Our oceanview stateroom includes all the amenities of an interior double, plus it features a picture window, providing added

ambience and memorable views. Approximately 146 to 206 square feet. Deluxe Oceanview, a larger version of the Oceanview double is also available on select ships.

Note: Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans.

Interior double

Our interior stateroom is a great value. It features two twin beds that make up into a queen-size bed. Other amenities

include a refrigerator, hair dryer, TV, closet and bathroom with shower. Approximately 158 to 162 square feet.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1-800-774-6237 for more information.

Protect Your Vacation Investment

PRINCESS® VACATION PROTECTION

You never know when something unexpected may cause you to have to postpone your plans. Fortunately, Princess Vacation Protection can reimburse you for unforeseeable losses stemming from an array of circumstances, and even allows you to cancel your vacation for any reason under the Cancellation Fee Waiver Program.

Princess Vacation Protection is a package of benefits composed of the following: the Princess Cancellation Fee Waiver,^{4,5} the Princess Travel Insurance and the Princess Worldwide Emergency Assistance Programs.

Frequently Asked Questions

Q: Am I protected by Princess Vacation Protection if my mother, who is not traveling with me, develops pneumonia and I have to cancel my trip to care for her?

A: Yes, Princess, under the Cancellation Waiver program, will refund the cancellation fees (up to the full value of the cruise vacation) if you have to cancel your trip because of a specified reason such as illness, injury or death of yourself, a traveling companion or any of your immediate family members.^{4,5}

Q: If I have a heart condition and am on continuing medication, am I protected if my condition flares up during my vacation?

A: Yes. Princess Vacation Protection provides reimbursement for conditions that are stable during the 60 days prior to purchase, so if you have had no changes in your health (even if you are taking continuous unchanged medication), you would be protected.

Q: What if my condition did change prior to purchasing Princess Vacation Protection?

A: Rest assured, emergency evacuation benefits are still provided in the event of a medical emergency. Also, if you cancel your cruise vacation and do not qualify for cash reimbursement, Princess will provide a credit toward a future cruise equal to 75% (100% if Platinum Vacation Protection is purchased) of your otherwise non-refundable prepaid cruise vacation cost.

Q: If my pet becomes ill and I have to cancel my trip as a result, will Princess Vacation Protection reimburse me?

A: Although you would not qualify for cash reimbursement, as an added feature for purchasing Princess Vacation Protection, Princess will provide a credit toward a future cruise equal to 75% of the cancellation fees imposed (100% if Platinum Vacation Protection is purchased) if you choose to cancel for an ineligible reason.^{4,5}

Tips for your trip

Whether this is your first or fourteenth trip with Princess, you probably have several questions about the adventures awaiting you in port and on board ship. So we've compiled a few of the most common travel questions you might have, to help you prepare for your trip.

Cool, temperate, hot...?

What type of weather conditions can I expect during my getaway with Princess?

Check the convenient chart to help you figure out just the right items to pack by visiting princess.com/customer_care/faqs/pre_cruise/weather.html. Of course, it's always a good idea to bring layers of clothing – perfect for any unexpected change in temperature. It's usually helpful to take along sunglasses and sunscreen, as well as a swimsuit for dipping into our onboard pools – no matter whether you're going to a warm or cool climate. For destinations noted for their precipitation, it's important to include an umbrella or extra windbreaker.

Alaska-specific dining:

From Alaska king salmon to baked Alaska, dining throughout your cruise and cruisetour is a feast for the senses. And all your meals are included on board the ship, except for alcoholic beverages, some specialty drinks, sodas, certain snacks and some alternative dining venues. Delicious, freshly prepared meals are available on board our railcars and at our cruisetour lodges, but all meals are at your own expense unless otherwise specified in the daily tour itinerary.

Boutiques on board

Porthole Magazine / 2008-2013 Readers' Choice Award for "Best Onboard Shopping." Treasures await your browsing eye in our Boutiques on board. So be sure to leave plenty of room in your luggage for purchases with tax/duty-free savings up to 60% off U.S. suggested retail. Princess offers a 5-year guarantee on all fine jewelry purchases and a price match guarantee for all comparable brands ashore. We also offer an Extra 10% Savings the first two days of the voyage when using your Treasure Hunt Savings Guide. See our Boutiques on board staff for more details.

Shopping ashore

If you want to shop on shore, check the port shopping maps for a list of suggested stores. Any bargainer worth his or her salt will love this onshore luxury. There's a shopper's guarantee for registered purchases at participating stores.

How do I reserve tours?

You'll enjoy a choice of guided tours in every port of call, each highlighting great places to sightsee, shop and experience local culture. For your convenience, tours may be reserved 120 days in advance of your cruise on a first-come, first-served basis, or they can be purchased on board based on

availability. You can view tour descriptions and reserve your tours online by going to princess.com and selecting the Cruise Personalizer®. Please note that space is limited on some tours. On board, the ship's shore excursion staff can also answer any other questions you may have and help you with additional arrangements. Shore excursions are operated by local, independent companies, not by Princess, and Princess gets a commission on all tours sold.

What to bring

What should I wear on the ship?

You should dress for cruising the same way you would for any stylish land-based resort. Casual sportswear, including shorts, lightweight pants, and jogging suits, is the order of the day both at sea and on shore in hotter climates. Just remember to bring a sweater or jacket for cool evenings.

For evening dining, there are two designations for dress codes in our dining rooms: Smart Casual and Formal. When evening dress is Smart Casual, passengers dress as they would for a fine restaurant at home. Appropriate attire includes skirts/dresses, slacks, and sweaters or blouses for ladies and pants and open-neck shirts for men. Inappropriate dinner wear such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms. Shoes must be worn at all times. On Formal nights, appropriate attire includes evening gowns and cocktail dresses for ladies, and tuxedos, slacks with dinner jackets, or suits for men. Princess offers formal wear rental on all itineraries and this can be arranged prior to your cruise.

For shore excursions, you'll want to bring a sweater, a light jacket, or an all-weather coat, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to wear proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear while exploring ashore.

LENGTH OF CRUISE	# OF FORMAL EVENINGS	# OF SMART CASUAL EVENINGS
1-4 Days	None	All
5-6 Days	1	3-5
7-13 Days	2	5-11
14-20 Days	3	11-17
21-28 Days	4	17-24
29 Upwards	5 minimum	24+

Note: Dress code is subject to change with the ship's itinerary. The above is a general guide. The dress code suggested in the *Princess Patter* may vary from time to time.

What documents do I bring?

You'll need your cruise Boarding Pass and Travel Summary, and airline tickets

or airline eTicket receipts. In addition, you should bring with you a copy of the Cruise Passage Contract. All passengers, including children, must travel with a passport, valid for at least six months after the completion of the cruise. You must also present vaccination certificates and other health documents if required for your particular ports of call. If you don't have the proper documentation, you will be prevented from boarding the flight or vessel without refund of the cruise fare and/or airfare, and you will be subject to any fine or other costs incurred by Princess. Please consult your travel agent for full details regarding documentation, as it is your obligation to determine what documents will be necessary. Remember your medical insurance ID card and travel insurance information as well. If you are traveling with children, please refer to the "Children" section under General Information for additional document requirements.

Taking care of business

What does the price include?

Your comprehensive cruise fare includes onboard accommodations, ocean transportation, meals, some nonalcoholic beverages and most entertainment. Excluded are meals at some alternative dining venues, meals on hosted land tours unless noted otherwise, transfers and items of a personal nature such as, but not limited to, spa services, shore excursions, beverages and some snacks, photographs, gratuities, discretionary hotel and dining charges and medical services.

Do I need cash on my vacation?

One of the best things about cruising with Princess is the convenience of being able to sign for all your expenses and have them charged to your stateroom. When you check-in for your cruise, you'll receive a Cruise Card (a personal identification card). The Cruise Card is used to access your personal shipboard account to which all purchases are charged. An itemized statement will be delivered to your stateroom prior to disembarkation. By providing your credit card in advance, you are automatically registered for Express Check-Out. There is no need to visit the Passenger Services/Purser's Desk to settle your account. We accept the Princess Rewards Visa Card, Visa, MasterCard, Discover Card, Diners Club, Carte Blanche, the JCB Card®, China Union Pay Credit and/or Debit Cards and American Express/Optima. U.S. currency, Canadian currency, British currency, Euro currency and traveler's checks are also accepted. Those paying by traveler's checks or cash will be required to leave a \$300 USD per person cash deposit with the Passenger Services/Purser's Desk at the beginning of the cruise. Cruisetour passengers will find that traveler's checks and major credit cards are widely accepted in most ports of call.

When will I receive my documents?

Only Princess eTickets offer you the freedom and flexibility to access your booking details any time you want. Upon confirmation of your booking, you can use the Cruise Personalizer at princess.com to review the Passage Contract, view your reservation, complete all required Passenger Immigration information and provide an email address and phone numbers so that we may communicate important pre-cruise information with you. At approximately 120 days prior to the voyage departure date you will have access, via the Cruise Personalizer, to view and reserve the shore excursions offered and book Lotus Spa® appointments available on your voyage.

As part of our ongoing commitment to service innovation, Princess no longer mails pre-cruise documents. Instead, to help you plan for your vacation, you will receive a coordinated series of pre-cruise emails. Each email includes customized information about your reservation, interactive content, links to the Cruise Personalizer and Cruise Answer Place at princess.com, as well as other helpful advice. Your Travel Summary may be viewed and printed at any time. You may print your Boarding Pass and personalized luggage tags within 75 days of sailing once your booking is paid in full and all required Passenger Immigration information has been provided. With Princess eZAir, you will be able to view your air details immediately on the Cruise Personalizer. You may obtain eTicket receipts, make seat selections and more directly on the airline's website. If you do not have Internet access, your travel agent may assist you in securing the necessary information or call 1-800-774-6237 for assistance.

Do you provide Express Check-Out?

Like the finest hotels, Princess offers a quick and easy check-out service on board. Just register your credit card at embarkation or at the Passenger Services/Purser's Desk as early as possible during your cruise.

What should I do about tipping?

During your cruise, regardless of which Princess ship you choose, you will meet staff who provide you with excellent service. Crew members often rotate to different vessels within the Princess fleet which helps to maintain our high standards on every ship. These dedicated workers reflect our philosophy that all crew on all ships are but one family who share in our success.

To simplify the tipping process for our passengers, a discretionary gratuity of \$12 per person for mini-suites and suites, and \$11.50 per passenger in all other staterooms per day (including children) will be automatically added to your shipboard account on a daily basis. This gratuity will be shared amongst those staff who help provide and support your cruise experience, including all wait staff, stateroom stewards, buffet stewards, and housekeeping staff across the fleet. For

your convenience, this gratuity can be pre-paid before you sail by calling 1-800-774-6237 and referencing Special Services item number 0597.

A 15% gratuity is added to bar charges and dining room wine accounts. This is shared amongst the beverage staff and their support staff. There is also a 15% gratuity (5% on Australian-based ships) added to all spa services and fitness classes offered in the Lotus Spa,* Salon and Fitness Center.

We know you will find these services on board exemplary.

Casino dealers do not share in these gratuities, as not all passengers utilize these services.

Do you offer travel insurance?

We strongly recommend the purchase of Princess Vacation Protection travel protection, which covers up to the full value of your trip in case you need to cancel or interrupt your trip. There will be no refund of cancellation or interruption fees by Princess. You must recover such fees from Princess Vacation Protection or other travel protection. For a more complete description of this program, please refer to the Vacation Protection section of this brochure. Additionally, you will want to reference the Princess Vacation Protection information pamphlet for a full listing of the coverage provided. Please contact your travel agent for current rates.

How do I make arrangements for dining room seating and special diets?

Seating arrangements in the dining room are made by request on a first-come, first-served basis. To request Anytime Dining™ Traditional first or second seating, special diets, or seating with a specific party, it is best to have your travel agent request your arrangements at the time of booking.* Your dining arrangements will be shown on your Travel Summary.

What about clearing customs?

At the end of your cruise, customs and immigration inspectors will review your customs declaration form, on which you are to list all of the dutiable articles bought in foreign ports or in the ship's boutiques. U.S. residents returning to the United States are allowed a duty-free exemption of \$800 USD per person, which includes the cost of one liter of alcoholic beverages, if purchased ashore, for each passenger over 21 years of age. Canadian citizens, when out of the country for seven days or more, may bring back up to \$750 CAD duty-free. It is recommended that passengers keep their sales receipts handy for declaring their purchases. Food items should not be landed in U.S. ports.

Are there babysitters on board?

Although private babysitting is not available on any ship, group kidsitting is available for children ages 3-12 between the hours of 10 p.m.-1 a.m. in the Youth Center on select vessels. The charge is \$5 USD per hour, per child. Complimentary supervised activities are available for youth passengers ages 3-17. Due to limited facilities, group kidsitting is not available on Pacific Princess and Ocean Princess.

When calling, please include passenger name and stateroom number to ensure quick delivery.

Passengers may use their personal mobile devices onboard while at sea in international waters and in other areas where such use is permitted. Safety first

Princess Cruises' highest priority is the safety and well-being of our passengers and crew. To support this, our ships are fitted with modern equipment and technology, and we have strong safety standards in areas such as crew training, safety systems and equipment, emergency response, fire prevention and detection, emergency evacuation, and accident prevention. To ensure our safety standards are met, we have comprehensive internal auditing processes, and we work closely with the U.S. Coast Guard, our Flag States and other maritime authorities around the world. All Princess ships meet or exceed the safety regulations set forth by the International Maritime Organization (IMO) through its Safety of Life at Sea (SOLAS) convention. Through Cruise Lines International Association (CLIA), Princess is active at the IMO and helps to shape international regulations in a number of areas of safety.

Protecting the environment

Princess makes its living on the oceans, and therefore we are committed to environmental practices that will help preserve the marine environment in which we operate. We work closely with the regulatory and enforcement organizations that govern the cruise industry's environmental practices to ensure that our policies meet or exceed environmental regulations. Princess has invested millions of dollars fitting and developing waste management and garbage disposal technology including advanced waste water treatment systems and ballast water treatment systems. Princess was also the first cruise line to equip its ships to use "shore power" – turning off ship engines in port and instead using surplus power generated on shore, thereby reducing air emissions in ports equipped with this technology.

Staying healthy

Norovirus is the most common cause of gastrointestinal illness in the developed world. As health and safety is our highest priority, we routinely take comprehensive measures to both prevent and contain illness that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention (CDC). The easiest way for you to stay healthy is to wash your hands frequently. You will also find hand sanitizers located throughout the ship.

Some travel agents may, at their discretion, withhold an agency cancellation fee. Princess is not responsible for payments made to the passenger's travel agent but not received by Princess, or for the passenger's receipt of any refund which Princess has paid to the passenger's travel agent. There will be no refund of cancellation or interruption fees by Princess under any circumstances. You must recover such fees from your own insurance or from Princess Vacation Protection/Princess Platinum Vacation Protection.

Cancellation Policy Exception. If you have purchased a specially priced promotion that is 100% non-refundable from the point of payment, you are not entitled to any refund, payment, compensation or credit whatsoever of your cruise or cruisetour fare if you cancel your booking.

Air Refunds. Once airfare is paid in full, if air is cancelled, refunds may be available net of:

- any cancellation fees charged by Princess
- any cancellation fees charged to Princess or passenger by airlines.

Refunds will occur after the airline and Princess cancellation fees have been assessed. In the event a paper ticket was issued and the air tickets are not returned to Princess, there will be no refund.

Princess Vacation Protection. With Princess Vacation Protection, you'll be covered up to the full value of your trip. Please contact your travel agent for a description of this program and refer to the Princess Vacation Protection information pamphlet for specific details. Rates for Princess Vacation Protection and Princess Platinum Vacation Protection are subject to change without notice. Please contact your travel agent for current rates.

Baggage Handling. Princess makes every effort to assist its passengers in safeguarding their belongings and valuables, but all passengers' belongings are at owner's risk at all times. Hand or unlocked baggage, breakables, medicines, travel documents and valuables must be hand-carried by the passenger at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles which you retain in your personal control or stateroom. To protect your valuables, we have provided a safe in each stateroom. For flights within land tours and to and from the ship, weight restrictions on baggage apply.

Stateroom Occupancy. Occupancy of any stateroom(s) is limited to the number of berths at that stateroom. Princess reserves the right to limit the number of upper berths and single staterooms sold.

Important Notice Concerning Safety. Princess visits a large number of ports in numerous countries around the world. At any given moment there are likely to be "trouble spots" in the world in terms of crime and/or war or terrorist actions. While Princess endeavors to provide reasonable protection for your comfort and safety on board its ships, Princess cannot guarantee freedom from all risks associated with war, terrorism, crime or other potential sources of harm. The U.S. Department of State and other similar government agencies regularly issue advisories and warnings to travelers giving details of local conditions in specified cities and countries according to such agency's perception of risks to travelers. We strongly recommend that passengers and their travel agents obtain and consider such information when making travel decisions. Princess reserves the right to make any changes to any itinerary at any time.

Travel Agents. Your travel agent acts for you in making the arrangements, including your deposits and payments, for your trip/cruise. Travel agencies are not owned or operated by Princess. We invite you to visit your favorite travel agent to make your Princess reservations or call 1-800-774-6237.

Travel and Health Documents. Passport and visa requirements and regulations with regard to vaccination certificates and other health requirements for the various embarkation ports may vary by destination and change from time to time. It is the sole responsibility of the passenger to obtain and have available when necessary the appropriate valid travel and health documents such as passports, visas, vaccination certificates, etc., that are necessary for air travel, disembarkation at the various ports of call and re-entry into the appropriate country of origin. Passengers who do not possess the proper documentation will be prevented from boarding the flight or vessel without refund of the cruise or cruisetour fare and will be subject to any fine or other costs incurred by Princess which result from the lack of proper documentation. Passengers should consult their travel agent for full details regarding required documentation. If traveling with minors, please see requirements under Children section.

Health, Disability and Wheelchair Notice. Passengers must notify the Princess Fleet Medical Department in writing (fax number 661-753-0121) at the time of booking of any physical or mental illness, disability or other condition that may require medical treatment or render the passenger unfit to travel or which may constitute a risk or danger to the passenger or anyone else on board the ship. Passengers are requested to notify the Princess Access Office in writing (fax number 661-284-4408) at the time of booking of any condition for which special accommodation or the use of a wheelchair, power wheelchair or scooter is contemplated or necessary. We recommend passengers using a mobility device travel with someone who is able to assist them both ashore and at sea. Some ports of call require tenders to go ashore and may preclude passengers using a wheelchair from leaving the vessel; this decision must be made by the ship's Captain and is binding. Passengers must bring wheelchairs for their own use on the land portion of a cruisetour and a Cruise Plus hotel package. If you have purchased Princess eZAir and have any special in-flight requirements like a wheelchair or oxygen, this request must be made directly by you with the air carrier. Not all airlines allow the use of oxygen in-flight.

Refusal of Passage and Premature Disembarkation. Passage may be refused to any passenger, and any passenger's vacation may be terminated at any time, at the risk and expense of the person disembarked, where the passenger's behavior, or physical or mental condition renders him or her, in the opinion of the ship's physician, unfit for travel or a risk or danger to himself or herself or to anyone else on board the ship. Additionally, the ship's Captain may refuse transportation to any passenger or may terminate any passenger's voyage who, in the sole discretion

of the ship's Captain, is believed to be dangerous to himself or others or whose presence on board causes or may cause disturbances to Princess' passengers or crew, including those passengers engaging in excessive, disruptive, or obscene behavior. Such passenger may be left at any port or place the ship calls without any liability to Princess. Princess shall not be required to refund any portion of the fare paid by any passenger who must leave the vacation prematurely for any of the reasons set forth above or who voluntarily disembarks or leaves the ship for any other reason, nor shall it be responsible for lodging, medical, meals, return transportation or other expenses incurred by the passenger. Princess reserves the right to refuse to do business with any person.

Medical Center and Staff. Princess is not a healthcare provider and is not liable for any act or omission of doctors, nurses or other providers of service or those under their orders with respect to the treatment, advice, care or services of any kind given by such persons to any passenger. These medical providers exercise their own medical judgment and expertise.

Pregnancy. Princess medical centers do not have neonatal ICUs. As the health and safety of mother and child are so important to us, we cannot accept passengers who have entered the 24th week of estimated fetal gestational age at any time during the cruise.

Children/Age Requirements. Children under six months are not permitted to travel to Alaska, Canada & New England, Caribbean & Mexico, Europe and Panama Canal. Children under twelve months are not permitted to travel to Africa, Asia, Antarctica, Australia, New Zealand, Indian Subcontinent, South Pacific, Tahiti, Hawaii, South America and on Transatlantic and Transpacific sailings. Princess reserves the right to restrict the number of those between the ages of six months and 17 years aboard the vessel. All passengers under the age of 21 years must be accompanied by a passenger who is 21 years or older. For family groups booking multiple staterooms, children may sail in a cabin without their parents or guardians, provided one child in the stateroom is a minimum of 16 years of age or older. Please note that notarized written consent for passengers under the age of 18 is no longer required by Princess. However, several countries require special documentation for children traveling without both parents; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the immigration offices prior to your cruise. Minimum age for escorted cruisetours is 5 years old. Passengers under the age of 18 are not permitted in the disco/nightclub after 11 p.m. Be sure to check with the Youth Centers and Teen Lounges for special disco events designed for kids and teens.

- **For cruises on Dawn, Diamond, Golden, Sea and Sun Princess operating in Australia:** For cruises departing from Australian ports between 1 November and 7 January, any passenger under 19 years of age on the day they board the cruise, must travel in the same stateroom as a responsible adult 19 years or older. In addition, from 8 January to 31 January, there is a limit on the number of passengers under 19 years of age who can travel unaccompanied. Once the limit is reached, a responsible adult 19 years or older must travel in the same stateroom. We can advise you at the time of booking whether the limit applies to your booking. Princess Cruises can waive the responsible adult requirement at its discretion. The responsible adult is accountable for passengers under 19 years of age in their stateroom for the duration of the cruise, and the 'Rights of the Captain' will be applied to anyone who displays disruptive behavior.

- **For cruises on Diamond operating in Japan and Sapphire Princess operating in China and Singapore:** All passengers under the age of 20 must travel with a passenger age 20 or older. Additionally, for groups and families booking multiple staterooms, the minimum age for each stateroom is 16 years, provided they are travelling with a parent or legal guardian. We are unable to accept group reservations for student and youth

groups that do not conform to our minimum age requirements. Each passenger agrees that they will supervise any passengers in their care at all times to ensure all policies are strictly adhered to by all passengers under their supervision.

Pets. We are unable to accommodate any animals on board the vessel, except for certain service animals of passengers with disabilities.

Shore Excursions and Land Tours. These tours are operated by local independent companies. In selling tickets for these optional programs, Princess acts only for other independent companies who provide such programs as independent contractors and from whom Princess gets a commission. Princess shall not be liable for any loss, damage, injury, illness or death arising from or occurring during a shore excursion or tour whether or not such shore excursion or tour was purchased through Princess.

Land and Air Arrangements. Princess shall not be liable for any loss, damage, injury, illness, death, cost or delay arising from or in connection with the services and facilities provided by or any act of an independent contractor such as airline, hotel, tour, restaurant, rail or any other transport operator, etc., whether or not such arrangements were made by Princess.

Cruisetour and Cruise Plus® Hotel Programs. Princess reserves the right to substitute hotels of similar type and other features of the tour or hotel package. Bookings made for Cruisetours and Cruise Plus Hotel Packages after tickets have been issued may result in a higher cost due to changes in air reservations. Hotel check-in times vary, but are generally between 3 p.m. and 5 p.m. unless otherwise stated. Check-out times vary between 10 a.m. and noon. All special requests such as non-smoking rooms, king-size beds, etc. are at the discretion of the individual hotel property. Every effort is made to accommodate your request, but it cannot be guaranteed. Please note: single occupancy rooms may be quite small, with one twin, and triple occupancy rooms may have one double bed and a rollaway, not recommended for three adults. Hotel loyalty programs are at the discretion of the individual hotel properties. Most hotels are not owned or operated by Princess. Land programs require a minimum number of passengers to operate.

Claims for Injury, Illness or Death/Notice Requirements/Time Limits. Any incident or accident resulting in injury, illness or death to the passenger, whether occurring on board ship, in connection with pre- or post-cruise accommodations, or during a shore excursion (independent or purchased through Princess), must be reported immediately to a ship's officer or Princess. Carrier shall not be liable for and no suit shall be maintainable for emotional or bodily injury, illness or death to the passenger unless (A) a written claim with full particulars is presented to carrier within six (6) months of the incident or accident and (B) a lawsuit on such claim is commenced within one (1) year from the date of the emotional or bodily injury, illness or death, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In all other cases, no lawsuit may be brought against carrier unless (A) written notice giving full particulars of the claim is delivered to carrier within fifteen (15) days of the actual or scheduled termination of the cruise, whichever comes first, and (B) a lawsuit on such claim is filed within six (6) months from the date of the actual or scheduled termination of the cruise or the cruise cancellation, whichever comes first, and valid service of the lawsuit is made within ninety (90) days of the suit. In certain situations, arbitration will be required. If you choose to sue Princess Cruise Lines, Ltd., all disputes and matters whatsoever against Princess arising out of or relating in any way to your cruise or the booking/cancellation of your cruise shall be litigated by you, if at all, in Santa Clarita or Chatsworth, California.

Smoking, Drinking and Gaming. Smoking is prohibited in passenger staterooms and balconies. Violations to this policy will result in a \$250 fine for each occurrence, which will be charged to the passenger's stateroom account. Clearly marked "Designated Smoking Areas" are available on board

and include a sufficient number of ashtrays that are emptied regularly. The use of electronic cigarettes are permitted within the confines of the passenger's stateroom (balcony not included) and within designated smoking areas only. Show lounges, dining rooms and all food services areas on board all Princess ships are non-smoking. Generally, the minimum passengers' age to purchase or smoke tobacco must be 18 years of age or older. The minimum passengers' age to purchase and drink alcoholic beverages, and gamble on board must be 21 years of age.

The following information is provided as general guidance:

Minimum age to:			
Sailing from	GAMBLE	DRINK	SMOKE
U.S.	21+	21+	18+
Alaska	21+	21+	19+
Japan	20+	20+	20+
UK, Australia & Asia (not incl. Japan)	18+	18+	18+

Duty-free alcohol is available for purchase in our gift shops on board and will be delivered to your stateroom on the last day of your cruise. Alcohol purchased at any port of call may not be consumed on board. It will be collected at the gangway for safekeeping and delivered to your stateroom on the last day of your cruise, prior to disembarkation. You may bring one bottle of wine and/or champagne on board to celebrate a special occasion. Wine and/or champagne brought on board and consumed in the dining rooms or alternative restaurants will be subject to a \$15 USD per bottle corkage fee, which is subject to change. Liquor, spirits or beers are not permitted. Alcohol outside of our policy will be removed and discarded.

eZAir® Program and Passenger Transfer Gateway Cities. The availability of the air travel program may be limited from each gateway. Princess reserves the right to withdraw any gateway city without prior notice.

eZAir Program Booking Procedures, Identification and Refunds. Passengers purchasing flights under the eZAir Program may select either Flexible or Restricted fares that offer differing levels of flexibility. Passengers booked on restricted fares are required to be paid in full at the time of booking. Passengers booked on flexible fares must be paid in full no later than the Final Payment due date, as indicated by Princess Cruises' reservations system. All flights and air pricing are subject to change until full payment is received by Princess Cruises.

Passenger agrees to contact airline(s) directly to reconfirm flights, any special travel needs, and to obtain seat assignments. Passenger is responsible for verifying that the spelling of names shown on the Flight Information notice matches the identification presented at airport check-in (i.e. Passport). All airline tickets are the property of the carrier and must be returned to carrier.

Passengers purchasing flights under the eZAir Program may choose their flight and cabin at the time of booking. Passengers will be able to choose from a selection of flights under either the Flexible or Restricted program.

Ticketing. Depending on your itinerary, paper air tickets may be required and will be sent under a separate mailing. These tickets must be presented to the airline for travel. Princess may use a charter air service. Airfares used are capacity-controlled, promotional, may be nonrefundable and are subject to change. Princess may issue paper or electronic airline tickets. Airline tickets issued by Princess are highly restrictive and subject to cancellation and change fees. Because of this, you may find that your air ticket cannot be reissued, revaluated, or exchanged for another carrier or routing. Many airlines will charge a fee for one or more checked bags. Please contact the airline in your itinerary for details.

Air Departure Taxes. Some countries require passengers to pay an airport departure tax which is not included on the passenger air ticket. The individual passengers are responsible for this tax.

In most cases, this tax is collected at the airport upon check-in and may have to be paid in local currency. We recommend your travel agent verify any applicable tax for which the passenger may be responsible.

Airfares, Fees and Taxes. Airfares include air transportation and airline-imposed fuel surcharges. Air fees and taxes include any and all fees, charges and taxes related to air transportation imposed by U.S. and/or foreign governmental or quasi-governmental authorities, including but not limited to, passenger facility charges, departure taxes, a September 11th Security Fee of up to \$10 per passenger, airport service charges and government inspection fees. Air fees and taxes vary by gateway city, routing, destination and carrier. Baggage fees may apply. Princess will provide you with an overall airfare (including fees and taxes).

Airline In-Flight Service Requests. Please be advised that not all airlines provide pre-reserved seats, add frequent flyer numbers to records or apply frequent flyer bonus upgrades to flights booked by Princess. Some airlines now charge for advance seat assignments. Requests for wheelchair assistance or other special needs, such as oxygen in-flight, can only be made by you directly with the air carrier and are the responsibility of the traveler. Not all airlines allow the use of oxygen in-flight.

Overnights. For some cruise itineraries it may be necessary, due to flight schedules and/or availability of seats, for passengers to overnight either before or after their cruise. If it is necessary to overnight, hotel accommodations, baggage handling and transfers are at passengers' expense. Passengers will also be responsible for all meals and other items of a personal nature. Passengers may purchase a hotel accommodation/transfer package directly from Princess or they may choose to make their own arrangements.

eZAir Next Port Protection. Passengers who book air travel through Princess Cruises will be automatically enrolled in the Princess next port protection program. If passengers miss or will miss their original port of embarkation due to airline delay or an airline service disruption, such as flight cancellation or flight re-routes, Princess will work with the airlines to find a reasonable alternative to provide flights to the next appropriate port at no additional air cost to the passenger.

Flight Reconfirmation. Most airlines do not require reconfirmation of flights; however, it is strongly recommended that you verify both flight departure times and flight numbers at least 72 hours prior to your departure from home. Princess is not responsible for airline schedule or flight number changes after tickets have been issued.

Princess' Transfer Program. Cruise and cruisetour passengers may purchase transfers from the port city airport to the ship and from the ship to the port city airport. These transfers are priced separately and are available on the turnaround day only. They are available to both eZAir passengers and to those passengers who have made independent flight arrangements. Unused transfers are not refundable. Transfers within the land portion of cruisetours and for Cruise Plus passengers are included in the price. Transfers at both ends of a cruisetour will be charged separately. Note: It is your responsibility to know the local regulations regarding child safety seats or other child restraint systems as well as to provide the appropriate safety device. Failure to do so may result in denied boarding on to the transfer vehicle.
